Fayette county man locates and restores graves of Indiana's early citizens

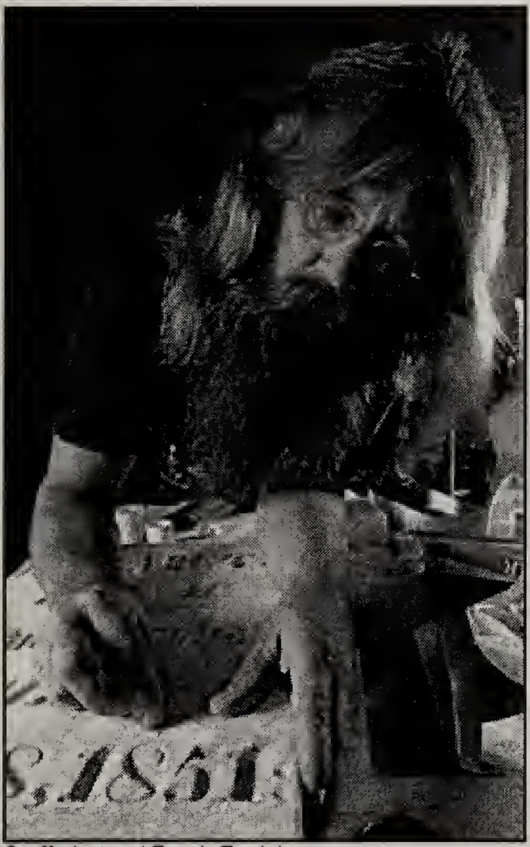
FAYETTE COUNTY, Ind. (Tue. Dec. 7, 1999) -- Catharine Kellum was 29 years, four months and six days old when she died for unknown reasons on June 29, 1815, a year before Indiana became a state.



Staff photos / Frank Espich
TAKING PAINS: John Walters, a Fayette County employee, uses a tiny piece of sandpaper to clean an 1851 headstone that was recovered from a sunken grave site within the Parrot Cemetery in rural Fayette County.

Her husband, Jacob, a farmer, buried her in a small hilltop graveyard on Section 20 of Ezra Martin's farm along what is now County Road 400, a few miles west of Connersville.

How long Catharine Kellum's white marble headstone remained upright, no one knows, but at some point over the next 184 years, it was knocked over and busted into 27 pieces.

The relentless cycles of wind and rain, freezes and thaws took a toll and the pieces slowly sank beneath the ground.

The last trace of Catharine Kellum was gone, a casualty of time and bureaucratic indifference. As a practical matter, she never existed, since that stone was the only tangible proof she ever walked the Earth.

"It don't take a rocket scientist to do this, but it does take a heart. And I got one of them."

-- Cemetery restorationist John Walters

And it would have remained that way for eternity, except this small eastern Indiana county employs a full-time person whose job is to locate, repair and rehabilitate old pioneer cemeteries.

None of the other 91 counties does this.

"That's very unusual. There is no other county in the state that pays someone to resurrect old cemeteries," said Matt Brooks, executive director of the Association of Indiana Counties.

ZZ Top look

The lone gravestone restorer is John Walters, Fayette County Pioneer Cemetery Supervisor, whose long spade beard and tangled curls would make him look right at home in the rock group ZZ Top.

PARTNERS: John Walters (foreground) prods the ground to check for sunken headstones in a Fayette County cornfield. Walters and his part-time partner, Freddie Lakes (left), are cemetery restoration specialists, the only ones on a county payroll in Indiana. They think there are as many as 30 graves dating to the 1850s at the site.

He's also a member of the National Association for Gravestone Studies and wears its official T-shirt, which features a tombstone bearing the epitaph: "Stranger stop and cast an eye, as you are now, so once was I. As I am now, so you will be. Prepare for death and follow me."

He last shaved and cut his hair seven years ago for a job

interview in an Indianapolis blast furnace blower factory.

"I shaved and got all dolled up for a job that lasted three months," he sighed. "I'll never do that again."

County Commissioner David Pflum, who gets regular haircuts, was skeptical when he met wild man Walters several years ago.

"You first take a look at him and you wonder, 'Does this guy know what he's doing?' " said Pflum.

Walters, 43, had worked for the county highway department and one of his duties was cutting the grass around old, neglected cemeteries. He noticed the deplorable conditions of the old stones, many broken or blackened with moss and lichen, making the inscriptions unreadable.

"It bothered the hell out of me. These are outdoor history museums, carved in stone. If they don't matter why don't we just throw away all the history books, too, and get rid of the history teachers?"

Spare-time research

On his own time, he researched old cemeteries in the Fayette County library, reading about the lives of many of the pioneers who were buried in them. In many cases, there was no written record of who was buried in the cemeteries, which meant they officially didn't exist.

He immersed himself in the arcane study of gravestone repair and restoration, reading every book he could find and phoning experts around the country, peppering them with questions:

How do you repair a 300-pound, 190-year-old stone that's broken into 25 pieces? Do you use glue or screws? How do you clean moss, fungus and crusted lichen off marble and limestone? Will chemicals damage the stone? How about bleach?

In the summer of 1996 he approached David Pflum and the other two commissioners with a bold proposal to hire him as a cemetery restoration specialist.

"A what?" asked David Pflum.

Walters' passion and encyclopedic knowledge of gravestone

restoration prevailed and impressed the commissioners.

"People here care about those old graveyards," said Pflum. "John convinced us we had a problem that needed solving. These gravestones are of great historical value and I believe the measure of any civilization is how well we protect the gravesites of previous generations."

Walters was hired as the state's only cemetery restoration specialist in August 1996 and his work has yielded impressive results.

NOW ... AND THEN: Cemetery restoration specialist John Walters (above) hangs a weathered identification sign at Parrot Cemetery in Fayette County. The site was overgrown in 1997 before work began (below right).

He's restored eight entire cemeteries, cleaning and resetting hundreds of old stones. He's pieced together 187 crumbling or broken stones, some of which had to be dug up and painstakingly glued and screwed back together.

"It don't take a rocket scientist to do this, but it does take a heart," said Walters. "And I got one of them."

He's taken thousands of pictures and recorded the inscriptions on hundreds of stones and officially entered their locations in the county recorder's office, so a future developer can't pave over the graves and claim no cemetery ever existed.

"I do cemeteries in my sleep," Walters explained recently

while studying the April 10, 1859, gravestone of Joseph Whitlock, which he recently discovered broken and buried in a field on Joe Rose's farm along Hwy. 1.

Underground finding

People often call Walters with tips about abandoned cemeteries. Walters and his part-time assistant, Fred Lakes, visited the Rose farm and poked the ground with a metal probe. They found Joseph Whitlock's stone 16 inches underground.

Then they uncovered Sally A. Risk's 1856 stone. They brought them both to a county warehouse just south of the courthouse. Using plain water and brushes, they will clean them, reattach the pieces with epoxy glue, photograph them, record the inscriptions and reset them in the Old Parrott Cemetery in Joe Rose's field.

In a little over three years, he has discovered 20 forgotten cemeteries. He found the Orange Township gravestones of aviation pioneers Wilbur and Orville Wright's grandparents, Catharine and Dan Wright.

"They was in an old thicket laying on the ground," said Walters.

Old records indicate there are 94 pre-1850 cemeteries scattered around Fayette County's nine townships. Walters has found all but 21.

"Nothing is ever really lost," he said. "It's just a matter of time. I'll find them."

The county pays him a whopping $19,720 annual salary. He's never cared much about money, though. He once lived in a teepee for a year to see if he could do it. Best year of his life, he said. He's plenty smart, but he was a minimum-wage grass cutter because he liked being outside.

"Anyone who has a passion for their work will do a great job," said a pleased Commissioner Pflum.

Passionate interest

Walters is passionate. He talks hard and fast, jumbling one story into the next, pulling out pictures of gravestones he's found, darting about the warehouse extolling the virtues of epoxy glue and the fun he had last summer at the

Washington, D.C., annual convention of the National Association for Gravestone Studies.

"I brake for old graveyards," warns the bumper sticker on his county pickup truck.

He paid for the Washington trip himself and spent a week working with restoration specialists in the Congressional Cemetery.

"What John is accomplishing could be a model program for the entire state," said Lois Mauk, state coordinator of the Indiana Pioneer Cemeteries Restoration Project, a Clarksville-based citizens group. "Fayette County is doing a great job of addressing the crisis of vanishing pioneer cemeteries."

The Martin Cemetery restoration on County Road 400 West is his latest triumph. The 53 stones, including Catharine Kellum's, have been restored, cleaned and placed upright once again and you can read the haunting inscriptions.

Who knows, for example, why someone carved this inscription on Elizabeth Kinder's gravestone in 1853:

"I hope for a pardon through my son for all the crimes which I have done. O' may the grace which pardons me, construct me to forgive like thee."

FAYETTE
COUNTY
CEMETERY DEPT.

THE MAIN MAN: John Walters is the state's only county employee paid to resurrect old cemeteries.

Was she a criminal?

"You wonder," said Walters, walking among the white stones. "Look at this one."

The stone simply says "Our Charley." Who was Charley? Who knows? But he was important to someone because he was "Our Charley."

After years cutting grass, working construction, living in a teepee and suffering through the ill-fated blast furnace job, John Walters has found something that transcends a paycheck.

It's Our Charley and Catharine Kellum and all the rest of the

long-forgotten souls.

"I finally found my calling," he said, standing beside Catharine Kellum's stark white marble gravestone.

The Kellum project

His calling led to the rightful resurrection of Catharine Kellum's simple gravestone, the last remaining trace of her life, the 27 pieces of marble which he lifted from the earth, reassembled and placed atop her grave.

It's back on Section 20 of Ezra Martin's old farm, the very spot where her husband Jacob placed it 184 years ago.

"Saving history, that's what we do," he said. "It's the moral requirement of every living soul to care for the gravestones of the dead."

Floated on charcoal matboard and framed with slim chrome, this tombstone rubbing hangs on a family room wall. The cracks, chips, and nicks in the stone add to the appeal of the framed rubbing.

Lift a Marble Carving

Rub a Tombstone

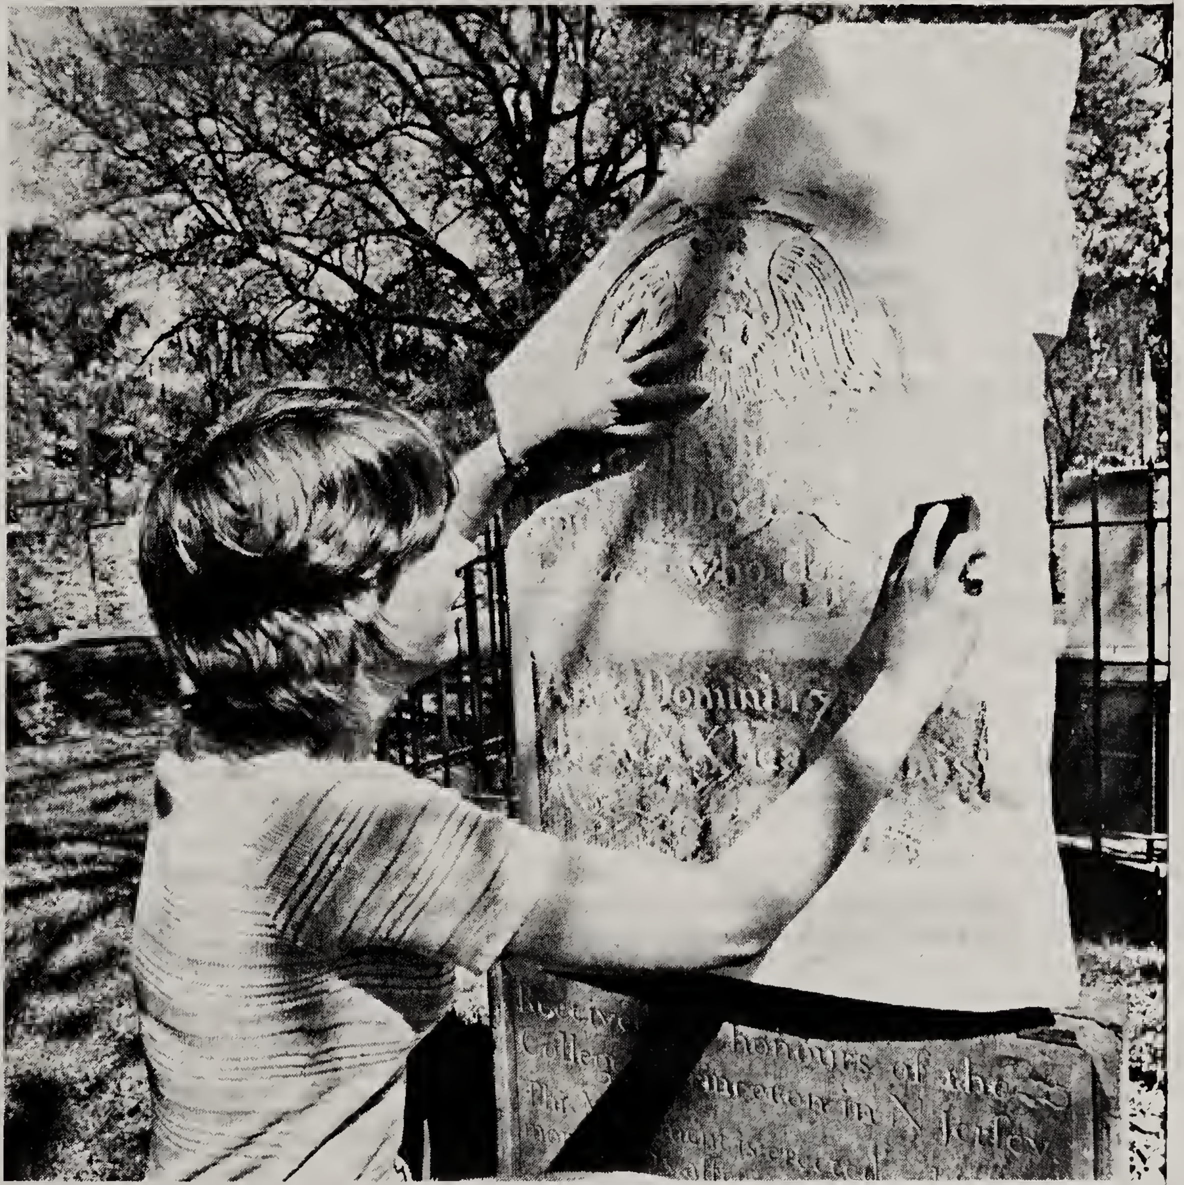
Why are people all over the country slipping into older cemeteries and rubbing tombstones? They are "lifting" marble carvings.

There is a wealth of unusual symbols and epitaphs to be found in older cemeteries. Exploring for artistic carvings and script is part of the fun. Fascinating rubbings can be taken from the entire stone or just special details. Other sources for rubbings include cornerstones, historic monuments, and turn-of-the-century buildings of cast iron or terra-cotta brick.

When choosing your subject, don't overlook interesting symbols, last names, or unusual ornamental details. These may be hidden in an over-all design. A rubbing of a horizontal motif could be a distinctive variation within a larger grouping of pictures.

A recessed design, where the detail has been carved out beneath a flat surface, makes the clearest image for rubbing. Some patterns in shallow relief (raised image like a cameo) rub through clearly when there is a marked separation between polished stone in the design on an unpolished background. Unpolished granite generally presents problems because its strong texture creates a confusing background. Test an image on inexpensive newsprint first to make sure it will be distinct.

Before you start your rubbings, check with the person in charge of the cemetery. Some places require permission only, some charge a fee for rubbing. If there is no charge, making a small contribution to the church adjoining the cemetery is a nice gesture.



Make light, even strokes, always stroking in the same direction. You can darken later if needed, but try for a charcoal-gray background rather than harsh black.

Vertical strokes over lettering always make a smoother background.

HOW TO

Tombstone Rubbing

Things you will need: Paper, small cake of black finishing wax (available at shoe repair shops or wholesale leather companies).

Note: Helpful accessories to have along with you include a rigid mailing tube with tissue to protect the finished rubbing, masking tape to hold the paper in place, and a cushion for your knees. A brush is valuable to clean dirt or moss from old stones.

1 Even, legible rubbings take more patience than skill, so allow plenty of time. A rubbing the size of the one in the photograph will take almost an hour.

2 With the paper centered and straight over the design, use masking tape to secure it in place.

3 Press gently with your fingertips to make a slight impression of the design on the paper. This will serve as a guideline to keep you from marking outside the design.

4 Make smooth, even strokes with the wax so there are no light and dark patches when finished. Always move in the same direction, and start with light strokes, which can be darkened later. Try for a charcoal-gray background rather than black.

Note: Irregular images usually look better floating on a darker board, but rectangular images can be framed with a border mat. Wax rubbings cannot be dry mounted because the mounting process involves heat, which will melt the wax image. For the framing shown, a meticulous framer tacked the rubbing to the matboard (only at the top) by carefully applying rubber cement.

Hi Morgan,

I checked back through some of my e-mail and found a letter from a Betty Jo Parr that said she was a decendent from J. W. Iler's second marriage. If that is so then James married my g-grandmother first and that would have been 1890.

Mary Othille Herbst was born 1850 in Wisconsin and died 1904 in Brownsboro, Oregon. She married my g-grandfather, Michael Shaddick Merritt, 30 May 1870 in Chickasaw County, Iowa. They had 3 children, Minnie Merritt (girl) was born 1872 in Iowa. Fredrick Deloss Merritt (boy) was born 9 Oct 1874 in Iowa, and Lottie Merritt (girl) was born 1879 in Iowa.

Mary devorced Michael in the late 1880's and married James abt 1890. Minnie and Lottie stayed with their dad (Michael) and Fredrick stayed with his mother and new step-dad (James W. Iler) when they moved to Texas sometime between 1890 and 1894. Eula Iler was born 24 Dec 1894 in Texas. They then moved up to Oklahoma (1895) where James aquired 160 acres of Indian land after living in Oklahoma for 5 years. James had a cousin that helped him farm along with my grandfather (Fredrick Merritt), James's step-son. James, Mary and Eula left Oklahoma in 1904 and moved to Brownsboro, Oregon where Mary Othille Iler died 1904.

Hope this helps.

Are you home yet? I received an email from Thomas W. Iler's daughter's grandson and wife. That would be Sarah Belle. My grandfather had a sister by that name and the birth date is the same. I would like to send her your name since me and the Chemo are having a rough time right now. I don't know if she is in contact with any one else or not but right now I do not feel dependable. I go to Dr. tomorrow and hopefully he can get me straightened out. Is it all right if I send her your name?

Thanks

The lady's name is Bev Sandefur. Thought it would be a good idea to let you know that little bit of information.

Take care.

A very nice lady, Mary Dee, said that I should get in touch with you regarding the Iler Family. My husband's grandmother was Sarah Belle Iler. According to her death certificate, she was born in McLean County, Kentucky July 08,1879. Her father was listed as Thomas W. Iler. 15660

She married Thomas C. Sandefur in Daviess County, Kentucky on June 6, 1895. She and Thomas had 5 children, one of which was my husband's father, Ira Oscar Sandefur. Ira was born Sept.22,1896 In McLean County. He passed away April 1,1960 in Daviess County. They lived in Calhoun, Kentucky (McLean County) . My husband remembers visiting them in Calhoun when he was a child. Sarah passed away Nov.17, 1960. Both, she and Thomas, are buried in the Calhoun Cemetery.
Any information on Sarah Belle's ancestors and siblings would be greatly appreciated.

Hi Morgan,

Thank you for your rapid response. I am very eager to delve into the attached files. It appears you have done considerable research and I appreciate your hard work in this endeavor.

I began my genealogy research trying to find information on the grandparents I never knew....before I knew it I had been bitten by the genealogy bug. Over the years I have come to love and respect the ancestors I never knew. I feel very close to them even though they were gone many, many years before I was born.

About five years ago I began to research my husband's ancestors. I have much information on the Sandefur line, but hardly any on the Iler family. I have a copy of Sarah's Marriage bond and death certificate. About the only thing I knew about her was that her father was Thomas W. Iler. Sarah and Tom's son, Eck, was the informant on the death certificate and he obviously knew very little regarding his mother's ancestry. He stated that Sarah was born in McLean County, KY and did not know her mother's name.

Morgan, If I have any information that would benefit your research I will be more than happy to share it with you. I am so happy to have found you and thankful for the opportunity to benefit from your many years of research. Have you published your research?
My husband and you have something in common. His father was almost 50 years old when he was born. His dad passed away when he was 16. He has always regretted the fact that he was not able to have that special bond that exists between a father and son.
Yes, it is getting late. But, you can bet that I will look at all the information you sent tomorrow evening after I get home from work.
Again, thanks so much for your very rapid response.

Take care,
Bev

Hi Morgan,

I received your Newsletters in today's mail. I must say, I was quite impressed. You are doing a wonderful job. Could you please put me on your mailing list. Let me know if there is a charge and I will get it in the mail to you.

I found Albert Waltrip and Grace Iler Waltrip in the 1920 Illinois Census on Ancestry.com. Do a search for William A. Waltrip in Illinois and it will bring the record up and then view on line. Albert and Grace are listed in St. Clair County, Centerville Township. Albert is shown as being 42 , Grace 32, Katherine 15, Veachel 12 and Edwardine 12. Could Veachel and Edwardine have been twins? The Census shows Albert, Grace and Katherine being born in Kentucky....Veachel and Edwardine born in Illinois.

Grace was a sister of my husband's grandmother, Sarah Belle iler.

Take care,
Bev

To All,

53799

Miriam Orpurt Fredrick co-author of our family history book "North Carolina Oylers and their Descendants" passed on yesterday afternoon less than two months shy of her 100 birthday. Carol & I with our daughter and grandchildren last saw her about 3 weeks ago and we knew her time here was short.

We enjoyed spending countless hours with her analyzing our genealogy finds from libraries, court houses and also from many cousins close and quite distant. Carol and I learned a lot from her and thought of her more as an aunt than Carol's first cousin once removed. She was without a knee joint after failed replacement surgery but never complained and enjoyed life to it fullest.

During our forays we many times used cramped 2 person elevators in small libraries and courthouses . Once to visit a relative in Peru, IN I pulled her backwards up steep grassy bank in a wheel chair while her eyes got as big as saucers.

While it was lots of work for me taking along a wheel chair and/or her electric cart which each trip I disassembled and re assembled many times I thoroughly enjoyed taking out someone so appreciative of Carol & I. Over the 8 or so years we did research together we made almost 60 trips of one sort or another with her and many other distant trips without her for the books research in our quest to find all the needed information.

As sisters Miriam's Oyler mother married an Orpurt while Carol's Oyler grandmother married a Gilbert. In addition Miriam lived with Carol's mothers Gilbert family during her teen years in order to attend school in town at Peru, Indiana. Hence she has always been a close cousin to Carol.

Having an interest in genealogy since the 1930's Miriam also did

research on the DeMuth, Kinsey, Orpurt & Wissinger lines and being almost 100 yrs old knew many of the relatives we researched and wrote about in our book.
Many of her remembrances of the old days are preserved in the Oyler book. Of the dozens of first cousins of Sarah Wissinger and Henry Oyler's 14 children there are now only three left. The youngest is 78 and the oldest is also 99 with Carol's mother in the middle at age 87.

Our goal was to complete the book while Miriam was still alive and for that we are thankful as she got to enjoy it her last year. Last fall at age 99, we took a very frail Miriam back to see her old church in Mishawaka, Indiana where she had been a member of the board. She was able to tell us the route from her head for the 1-1/2 hour drive which to me was amazing for someone in their 100th year.
Miriam was however finding it difficult to accept the changes that had taken place in the churches physical building over the 10+ year period since she had moved to the Brethren Retirement Home in North Manchester, Indiana.

I once saw a sign that said "When a person dies we lose a library". In Miriam's case we have preserved as much of that as we could in our Oyler family history book. All the cousins are blessed for her abilities and early efforts to document their genealogy from times past.

For the cousins receiving this email letter we have plenty of books left for $32 so contact us for one.

Sincerely, Curt & Carol Gamble

Morgan, Miriam was the daughter of Rebecca Alice Oyler and Henry Allen Orpurt, the granddaughter of Henry L. Oyler and Sarah Ann Wissinger. You will find her history below.

I have a copy of her book. She had worked on the family for close to 70 years. It was quite reasonable - like 25 or 30 bucks. And it traces the NC Oyler's through the current generation. That is Jacob and Elizabeth Fifer Oyler's family. I have only entered about 25 to 30 pages into my Oyler tree - to much to do and not nearly enough time. As I was not doing a single surname study, I have stuff that I need to enter of about 20 surnames - I wish history classes had kept me this interested.

My folks were staying with her when I was born, so I have a bit of an attachment to her.

I now have a copy of TMG. Been playing with importing files - it is different and most likely would have helped me to keep my citations better. I have imported the tree 3 times, but I think I have it this time. I kept changing things during the first two attempts, but learned a bit each time.

So, yes, I would like a copy of your TGM. Files, if you don't mind.

Byron

I remember going to his funeral. It was held as the home and the casket was sitting on saw horses. My cousins (Marty, Bruce Flora) and I all hide under the curtains, that were hiding the casket. I vaguely remember having meet him, and he bought my warts from me. It worked, they went away. He was missing a couple of fingers. Grandma Peck, once tried to tell me that I had never met him, except when I was too young to have remembered him,, but when I mentioned the missing fingers, she was surprised and agreed that I did remember him. I must have been younger than 7 years old at the time.

WEDDING ANNOUNCEMENT: At the home of the bride's parents, Mr. and Mrs. John Eberle, on East Eighth street, occurred the wedding of William Oyler and Miss May Eberle on May 4, 1898 at 7 o'clock. The ceremony was performed in the presence of a number of invited friends and relatives by Rev. D. H. Cooper. The groom is a trusted employee of the Brownell Planing Mill, while the bride is an estimable young lady with a host of friends who unite in wishing she and her husband a prosperous and a happy future. Ruth Gilbert Wilkening remembers that it was great fun to go to Castalia and visit at the home of Aunt Mae and Uncle Will. Aunt Mae made very good cookies and was an excellent cook. Mae also made beautiful crocheted articles. When we would visit there, Uncle Will always took us to the "Blue Hole". At that time the Blue Hole was a huge bottomless hole full of water. Presently, the Blue Hole is a park outside Castalia and to our knowledge the bottom has yet to be discovered. Aunt Mae would send her daughter's used clothing to the Gilbert cousins and Ida Grace Oyler Gilbert would make them over. The three Gilbert girls were really well dressed during their childhood and teen years due to the clothing that was passed from one cousin to another. ?

The floral motifs used on selected pages in this book are reproduced from the baptismal certificate of Anna Maria Dornbach, who was born in 1742 in Höchstenbach. Her taufschein presents a good example of the date discrepancies which are often found between European and American records. Her taufschein, made many years after the event, records her birth date as 14 September 1742. The Höchstenbach church book gives the date of birth as 24 October 1742. Both sources name her parents as Mathias Dornbach and Elisabetha neé Spies. The original taufschein is in the collection of the Fackenthal Library, Franklin and Marshall College, Lancaster, Pennsylvania.

A **Christian Altburger** and wife **Christine** had a son Peter bpt. 9 June 1765, aged 3 weeks (Philadelphia 1st Ref. Chbk.); as the sp. to this event were Philip^2 Altbürger and Margaret, and as Christian was nat. in 1765 with Philip^2 and Adam^2, he undoubtedly belongs in this family (HJ/AKB).

JOHANN PETER ALLER

(Two Brothers, 1749)
(Two Brothers, 1752)

The **Aller** family was found at 5419 Maxsain (14 km. s.w. of Hachenburg; Chbks. begin 1667, Ref.) and at 5418 Nordhofen (22 km. n.e. of Neuwied; Chbks. begin 1659). It is difficult to establish with certainty just who among the several similarly-named individuals documented in these two Westerwald villages was the **Johann Peter^1 Aller** who came to Pennsylvania: one a passenger on the *Two Brothers* in 1749 (S-H, I, p. 401) and the other on the *Two Brothers* in 1752 (S-H, I, p. 479) . The Nordhofen registers show that one **Johann Wilhelm Aller** at Selters had a son Johann Peter, a twin b. 29 June 1699, and another son Peter b. 28 Aug 1701; one of the sp. to the latter bpt. was Anna - w/o Peter Aller. Also at Nordhofen was **Johannes Allers Jr.** from Quirnbach who had a sonJohann Peter b. 31 Oct 1713, as well as other sons Johann Adam b. 3 Nov 1715, Michael b. 16 March 1717, Johann Georg b. 9 July 1719, and Johannes b. 23 March 1721; this Johannes Allers Jr. family has intriguingly similar names to some of the Hunterdon Co., N.J. group. At Nordhofen, **Johann Thiel Aller's** firstborn son was Johann Peter, b. 5 Feb 1708; later there (another?) Johann Thiel Aller from Quirnbach had a Johann Peter b. 1727. The Maxsain Chbks. show that **Johann Peter Aller** md. Anna Catharina, d/o the late Johann Wilhelm Hummerich, 29 July 1721; this couple had issue Anna Maria, b. 22 April 1722 and d. 1723, Maria Catharina b. 31 Jan 1724 and conf. in 1739, Maria Gertraud b. 29 Dec 1726 and d. 1727, Johann Peter b. 17 June 1728, Eva Catharina b. 12 Oct 1731 and conf. in 1741, Paulus b. 9 Dec 1734 and d. 1736, and Anna Maria b. 6 May 1737 . Also at Maxsain was one **Johann Jacob Aller** who had a son Johannes Peter b. 14 Dec and bpt. 17 Dec 1724 - sp.: Peter Schmid, Johannes Kollenberg, and Anna Maria - w/o Joh. Theiss Becker; the members of this Becker family were enrolled but one name away from the Johann Peter^1 Aller on the 1749 *Two Brothers* (Anna Maria Becker being the d/o Thiel Aller).

Rev. Gobrecht's Account Book in the Tohickon Ref. Chbk. in Pa. in the mid 18th century notes that "Peter Aller owes me for weaving and what I have loaned him...£4, 4 shillings, and 3 pence." A Petrus Aller, single man b. Germany and resides Walkill, md. Margaretha, wid/o Eduard Keiser of Hurley, 6 Dec 1759 (Kingston Ref. Chbk., Ulster Co., N.Y.). Beyond these two references in Pa. and N.Y. , most information on the Allers is to be found in colonial N.J. A Peter Aller and four other Protestants b. in the Empire of Germany were nat. in Nov 1763 (Minutes of the N.J. Supreme Court, 1761-1765, Bk. 11); one of the four others nat. that day was Peter Badenheimer, and Johann Peter^1 Aller was listed next to Peter Badenheimer's brother Johann Christ^1 Badenheimer on the *Two Brothers* in 1749. The Hunterdon Co. Court of Common Pleas first mentions Peter Aller in 1754. The will of Peter Aller of Amwell was dated 17 May 1773 and probated in April of 1778; in it, he names 3 sons and 7 daughters (Peter the eldest, John, Philip, Mary, Rebeckah, Rachel, Sarah, Catharine, Elisabeth, and Anna) (N.J. Wills, 1055). Charles Carroll Gardner in his "A Genealogical Dictionary of N.J." in *The Genealogical Magazine of N.J.*, Vol. 19, No. 1, Jan 1944, has a fascinating article on the various Aller families. He believes the aforementioned Peter Aller of Amwell was b. ca. 171- and md. prob. bet. 1735-1745 Elisabetha, d/o Johan Philip Kaes. Gardner differentiates between Peter Aller of Amwell and the Peter Aller of Lebanon, N.J., b. ca. 1724 and d. 8 April 1813, whose will was dated 16 April 1808, disposed of his property in Lebanon and Kingwood, and named 7 ch. (Peter, Catharine, Mary, Henry, John, Anna, and William). There also were other Allers in Hunterdon Co.: an **Adam Aller** was chosen Overseer of Roads in Amwell in 1745/6, and a **John Aller** and **John Aller Jr.** were involved in suits in the Hunterdon Co. Court in 1750.

Dear Morgan,

Yes, Byron is Byron Atkinson. My 2nd gr-grandfather was John Henry, and I'm assuming that you're the 5th cousin to my late gr-grandmother, Laura Ida WYSONG Miller. So, yes, we're 5th cousins, 3 times removed.

That is most curious about you and your dad! My family is rather the opposite, which makes for many `removeds'! Gr-grandma was 22 when Grandma was born, Grandma was 22 when Mother was born, and Mother was 22 when I was born. In all cases, it was the first daughter, though I'm also the first of us four children. I blew it! I was 22 on 11-8-72, and got married in May, '73, but had no children. My 2nd husband is John, and we got married on 7-6-85: our son was born 5-4-87.

SOURCE bro.

With Daddy, his grandmother decided to wait a while to marry his grandpa, so the children were born from 1887 till 1895? I know that Grandpa was 11, when his dad died of TB. Grandpa, the one who was born in 1887, had two daughters in '17 and '18, then Aunt Sue in '26 and Daddy in '28, but that was because the first daughter had died after Aunt Marianna was about 1, probably of appendicitis. My gr-grandmother, who lived with Grandpa and Grandma, told them that they couldn't have any more children! So, they didn't, until after she died!

Grandma Bender was just 36, when her last child, Uncle Louis, was born in '45. So, both sides were still having children closer than some of my cousins, like in your family. WOW!

Morgan, which is your line, then? I assume that your ancestor was a brother of my Valentine, the son of Conrad. Is that correct?

Nice to meet you!

Love, Polli

OOPS! I meant to ask: where did you get the info about John Conrad Euler's parents being Michael and Catherine? Another cousin said that they were in different areas of Germany, when Conrad was born, and that Michael is no relation to Conrad! If you have proof, terrific!

Uncle Dick was b. in late April, '26 South Bend. He died in early April, '98, probably of AIDS. We all breathed easier when that happened! He was crazy, mean, into satanic worship, had plans to kill Uncle Ed's son, Tony, whom he'd never met(!), and had bad plans for Aunt Marge, too!

Aunt Marge was b. Oct., '30 Logansport. She had 4 sons by the late Gene Helvie, whom she had divorced. She's now been married to William "Bill" Killian longer than she was to Gene. John Helvie is from June to Nov. older than I. Ted is a bit younger than Bill, David is about Leah Rose and Ed's age, and I don't know how old Billy is.

Aunt Ruth was born in the '30's, and I think that Ed was born in the late '30's. Uncle Louis was born in June, '41.

I wont tell if you don't, but again according to my files it was in 1950. The year my wife and I bought our first home in Port Credit, ON that fall.

I will be more than pleased to add your name to my mailing list but I will need a mailing address so I can be sure my letters will find you. You like Ruth have a couple of numbers, yours being J95811-5562. Your name was added to my files three names ahead of Ruth.

Obituary of Samuel G. Eilar 11923

"A useful life is ended,
But in another chime
All of those who loved him best
Are sure that there, sometime,
His kindly Father's heart will still
Find little ones to love -
That he will gather groups of them
In that fair land above
Upon his knees and in his arms
With gentle love and tenderness
And free from earthly care."
-Written by Mrs. Hazel Danneker

Samuel G. Eilar, son of Daniel H. and Margaret Smith Eilar, was born February 21, 1873, and after a sojourn here of 64 years, six months, and twelve days, departed this life September 3, 1937, to enter "The Promised Land."

He was born in Liberty Township on the plot of land which had been deeded to his father and mother by his maternal grandfather, John Smith. Here he grew to manhood receiving such education as the rural schools of his day provided. Here also he was surrounded by all the traditions of the church and the Holy Bible, which his grandparents so zealously proclaimed in song and in worship.

While his background was that of the Dunked faith, Samuel early in life united in membership with the Chicago Corner Church of God, and in this faith he died. When he moved to New Castle he brought with him his rugged faith and his sincere religious devotion, and was not content until he had witnessed the birth of what is now the First Church of God in this city. He wanted others to have the opportunity to enjoy the same, religious experience that had been his. He was probably one of the staunchest members of this church, in all hours, whether the bright glitter of success, or in the darker hours which all churches pass through.

On May 13, 1903, Samuel G. Eilar and Lenora Pressell was united in the holy bonds of matrimony, by the Rev. C. H. Holaday. To bless this union there came in order the following children: Goldie, Frances, Mabel, Hazel, Thelma, Dorothy, Norman, Pauline and Mildred. All of these remain to mourn his departure except Goldie and Thelma, who died in infancy.

Blessed with a thrifty and industrious companion, Samuel came to this city thirty-four years ago, and followed his trade of well-drilling and pump repairing. He erected probably a score (12) of

(37)

residences in what was then known as the East Lynn addition to the city of New Castle. He and his faithful companion opened their doors to many homeless waifs, and have always been known as friends to the young people. Known far and wide for his great physical strength, his Christian life, and his unfailing hospitality, he leaves a host of friends to mourn his loss. No one ever entered his home without feeling welcome, and no one ever left it hungry or discouraged.

"Blessed are the dead that die in the Lord." If this be true, a blessed man is now humbly standing on the other shore, surrounded by those who have preceded him. We read so often of Christians who have experienced a foretaste of death, and have been brought back to life by medical aid. Says one man: "What I saw during my brief spell of death has made me regret that I ever came back. I was surrounded by thousands of supremely happy people, among them three that I knew. They all nodded and smiled and the grave has no terror for me now. I realize that earthly life, sorrowful as it can be, is just a training ground for something fuller and better."

The deceased was preceded to that other land by his Father and Mother; four brothers, namely, Charles, Augustus L., James, Benjamin W.; and the two infant daughters, Goldie and Thelma. He is survived by the immediate family, as named above, and in addition to them by two sons-in-law, Rev. Fred Yockey and Frances Laurie, who stood by him so loyally in his last painful hours; four grandchildren, to whom he was greatly attached, Annie and Dixie Laurie, and Buford and Calvin Yockey; one brother, Lewis Daniel; one sister, Elnora Locke; and by several nephews and nieces, and scores of more distant relatives and friends.

Although devoted daughters and loving wife did all that earthly power could do to care for him in his last hours, the Death Angel came for him, and all that we can now do to comfort ourselves is expressed beautifully in these lines:

"So, though we miss his kindly face
From home and church and school,
We know that some day we shall see him
Where Christ's golden rule
Is always, everywhere obeyed
As he obeyed it here -
And now we bid him sad farewell
Here at this hallowed bier."

Thank you for your correspondence and the copies of the newsletters. This is a brief version of my pedigree.

I will send you a hard copy shortly with more comprehensive details. At this time I'm endeavouring to find out more about the parents of Catherine Ann Dalton. So far I know their names and almost nothing else. I am, however, on their trail through an archivist in Sydney.

Concerning the death Of John Iler - it was in 1873 (regd.no. 9913) (Victoria) but I have no further information.

Subject: Iler Family Tree

Hello Morgan:

I have a couple of corrections and updates for you. Today using "Google" for a search engine, I put in "Howard Iler". This is what I came up with; Howard James Iler (18483 NY1127) was 1st married to Florence **Beam** not **Bean**. His sceond wife was Nora Belle **Beam**, who was married 1st to **Kenneth Edward Peer** whom she divorced in the 1960's.

57564

So, as it turns out Florence & Nora Belle were sisters. I can see where Bean & Beam could have been mixed up. It also states that Howard & Florence had a daghter named **Alvera**. No dates or locations were given.

Another piece of the puzzle, 57565

Dear Morgan,

Thanks for sending the Newsletter.

Also, glad your trips were enjoyable and productive.

I haven't had a chance to copy the Franklin Co., VA data yet, but will eventually.

I was surprised to see my pedigree on the last page of the Newsletter.

It isn't quite correct.

Benjamin Weddle's parents we now think were Martin Weddle and possibly Elizabeth Weiss. That Elijah Weddle we have never been able to prove or come across.

John Michael Wetel left a deed in York Co., PA, mentioning his children. His only son was Martin Wetel. Martin Wetel showed up in Botetourt Co., VA, with a son Benjamin.

So, please remove the Elijah Wadle and Catherine from my pedigree.

Thanks,

Calvin

P.S.

Martin Wadle, Wettil, left a will in Botetourt Co, VA, probated 13 Mar. 1783. A wife Katherine is mentioned but she may have been a second wife and not the mother of Benjamin.

It's a never ending puzzle.

I have had these certificates for some time now but neglected to get the information to you.

Pedigree Chart

15495 Malissa Iler - Death occured at Cumberland, Wisconsin.

15477 James Iler - How or where did you find his middle name?

15478 Willmina Iler - Same - Where did you find her middle name? Also their year of marriage? I question that. 1856 Iowa Census & 1860 census list him as single. Their first child - Malissa 15495 was born Feb. 28, 1865. Probably the marriage was 1864 or near there. Possibly a typing error?

Family Group Records (you sent)

15479 - Zona Iler - 1854
15480 - Virgil Iler - 1854
I doubt these are children of James & Willmina. There was a Virgil Iler 5 yrs. old listed on 1860 Census with Jacob & Mary Ann (Meyer). Also a Jacob 2 yrs. old and James who was 21.

15497 - James S. Iler - Also doubt this is son of James & Willmina.

15561 - James Iler - (their son) was born in 1879.

1885 - IA. state Census

44640 - Sarah (Sadie) Pearl Iler
44641 - Royal C. Iler

Name should be spelled as Iler - not Oyler. Census taker spelled it Iyler for the entire family.

1885 IA state census - Apr. 25th Aspinnal - Sarah + Royal were probably twins since their age is listed as 0 therefore their birth year would be 1884 or 1885 not 1880. I have no further information on Faith, Hope or Charity. These names were on a list of names of children of James + Willamine. My aunt had the list. She was my fathers sister.

Family Group Records

44243 - Austin Iler
44248 - Ella E. Iler

These children are listed as Children of John Fletcher Iler 15148 They are also listed as children of Jacob 15096 + Mary Ann Iler 15098

15562 - Austin Iler
15566 - Ella E. Iler

Same birth dates + death dates

Possibly you are aware of these discrepancies + have checked them out

since the group record I have is from Apr. 1998.

Also my mother -

44576 - Joy Opal Crow died July 7, 1999
at Baker, MT. Buried Riverside
Cemetary, Marmarth, ND.

44632 - Max Allen Graham died Sept. 7, 1999
at his home, Rhame, ND (Cancer)
Burial same as my mother.

If you have an update of the Family Group, would you send a Copy? Thank you.

Subject: Edwin's compressed pedigree

Hi Morgan,
I noticed the back page of your recent newsletter, and copied it to bring home and comprehend.... takes a few minutes!
A few fill-ins, or corrections.....
Right at the top:
Edwin descends from Wm. Werden's **second** wife, and the data should read:
WWW - b. 26 Jan 1829; m. **30 Jan 1872**; died 13 June **1894**
Hannah Ryerson Aikman, b. 7 Mar 1836; d. 8 Sept 1912. 57625

William Rhea Woodbridge, born 1 June 1874; 30628
m. 19 June 1901; ~~d. 9 Feb. 1953~~
Sarah Elizabeth Coatsworth, b. 24 Jan 1876; **d. 4 Feb. 1934** 30629

Mervyn died 4 March 1985.
------
Bottom of page:
Elizabeth Arner died 6 Nov 1913, age 95.
---

Edwin goes back to 3 Kratz-Wigle marriages,
twice through his father, and once through his mother.

At the very end of your printout there is probably room for more ancestors....but there are quite a lot here.

------------

I was going to write you about Bob Iler, and his sudden decline, just one week after Ken Turner was there.
It is a kindness for all, including Bob, because he was in a torturous limbo, not real living.

We still have not processed any of the materials that now are deposited on top of and underneath that big back table.

1730 - JIII

Do you have a picture of Frances Eede McLean in you collection of pictures? And is that Frances in that 5-generation picture with Susan Iler Arner?? Frances died in 1880, so we cannot believe that Susan looked that old in 1880, so is this picture taken at Susan's 99th birthday party?? And who is behind Eliz. Arner?? Hope you know the picture.

After Glow

I'd like the memory of me
to be a happy one,
I'd like to leave an afterglow
of smiles when life is done.

I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright and sunny days.

to dry before the sun,
Of happy memories that I leave

Subject: Re: Eyler family research help

Morgan,

A friend of yours Linda Worstell gave me your name and said that you might be able to help me.

I am researching my mother's family and have been having a hard time finding anything.

32249

All that I know is that my grandfather's name was Wallace Paul Eyler (b. 1-11-1916 d. 4-29-1986). His parents were John Joseph Maximillion Eyler and Mildred Anne Graham. He had 7 siblings. The only surviving one his youngest sister doesn't know any of the names of any of her grandparents. She says that her parents separated when she was about 8 years old.

My grandmother (Wallace's first wife) says she remembers that grandpa had an Uncle that lived in St. Louis, MO and that he spelled his name Eiler.

Any help or suggestions that you have would be much appreciated. I just started my research in March so I'm very new to it.

Thanks!

Here is the information that I have so far.

56167 -EFRZ 57826

John Joseph Maximillion (not sure of this spelling) Eyler married Mildred Ann(e) Graham. They lived in Knox Co. Mo. I have found them on the 1910 census for that county listed under Max Eyler age 34 and Mildred age 28.
1876 1882
Their children were:
① Oscar M. Eyler b. 29 Feb 1904 31949
② Lon Eyler b. about 1906 (died of diptheria when young) 57827
③ Louie Frances Eyler b. 22 Sep 1909 31702
④ Christina Josephine Eyler b. ? 57828
⑤ Ceryl Eyler b. ? (died of diptheria when young) 57829
⑥ Beulah Eyler d. about 1944 57830
⑦ Wallace Paul Eyler b. 1-11-1916 d. 4-29-1986 32249 -57825
⑧ Dessie Eyler (still living lives in Shelbina, MO but doesn't have any information that was helpful. 52030
I do have my grandfather's SS application form but all it has was both parents names. It did have him being born in Edina, Knox Co., MO. I do know that J.J.'s father was from Germany.
I am sending you a copy of Wallace's descendants file that I have.

I am the son of Dr. Wilmer Iler of Van Wert, OH, and used to live in Dillon, Colorado. Both of our addresses have changed, now.

58283

Mine is:
Kent (& Stacey) Iler
34465 Fortune Court
N. Ridgeville, OH 44039 -4415

NK177513-17475

My father's is:
Dr. Wilmer Iler
3510 West Shady Side Rd.
Angola, IN 46703 -9046

In response to your points:
1) I would be willing to help out (at least with the programming aspect). This is my primary career - web consulting. This could also provide a means with which people could easily update their own information. Either way, it's just an offer - I'd be willing to do it at no cost (but can only work on it as time permits).

2) Have you considered PDF format? It tends to shrink the file size down, per page, and all you have to do is "print" to a PDF maker, and you get a PDF file that should look like what you print. That way you don't have to scan them in.

3) Please see the above address for me.

If you are interested in adding our children, we have:

Samantha Kristine Iler (daughter) born 2/15/1996 58284
Scott Kent Iler (son) born 12/23/1998 5
Sarah Katherine Iler (daughter) born 5/26/2002 6

If you would like to have an iler.com e-mail address, I would be willing to give that to you at no cost (morgan@iler.com, or any other name you may want).

Thank you for the information.

If so, my latest up date on your address is Dillon, CO (where my son lived for a few years several years back). Your web site "Iler.com" at the moment certainly doesn't give me any clues.

Dear Morgan,

Thank you for all the help you have given me with my research so far. I need to trouble you once again. I have had someone send me a copy of my great grandfather and grandmother's obituaries as well as one of grandpa's sister's obit. I am sending you a copy attached (let me know if you don't get it).

My question is: Do you have any more information on Diedrick Eilers besides what was on the 1880 Adams Co. census? I would really like to pursue this branch of my family. Other branches I have gotten back as far as seventeen generations. So not being able to get back past my gr gr grandfather on this branch is like hitting a brick wall. Any suggestions on how I can break down this "brick wall" ?

I have received an answer in regards to your inquiry on the Hause obituary.
510- Harris Durkee Iler's 1st wife, (Loretta Louise Lange), died in 1953. He married after 1953, Leona 58715 (Anglemyre) Hause, the widow of Charles Hause. So, that is how Joyce Eleanor Iler is the step-sister
58 and Harris John Iler is the step-brother of Frank W. Hause. You mentioned John (Joanne) Iler (29353) in the article that you sent. Harris John Iler's wife is Joanne Lillian Kottke, so that is where the Joanne must come from.

58718

Another update that you might not have is the following:

58719

Joyce Eleanor Iler = born 19 Mar 1940 in Tecumseh, MI.
married = Thomas Patrick McIntyre on 23 Sept 1967 in Cleveland, OH
Thomas was born = 10 May 1928 in Pittsburgh, PA = he died 2 Nov 2001 in Cleveland, OH
20 One child = Molly Kathleen born 25 Apr 1970 in Lakewood, OH
Molly married Mark Daniel Jewitt on 8 Aug 1998 in Cleveland, OH the son of John and Viola (Tyme) Jewitt
58721
2 children = 1 = John Christopher 16 Apr 2001 58722
2 = Declan Thomas 3 Feb 2003 ✓ 3
both born in Cleveland, OH

Another update and or correction:
Delcia May Iler married to Leon A. **Parham** (not **Parkman**) in St. Joseph, MI

Hope this helps,

Thank you for responding so quickly. You have sent me enough material to keep me busy for quite some time. I'm sure I will have questions as I go through the material but right now I just have a few comments.

14629

My Mother's name is Nellie Mae Iler O'Connor (spelled "or" not "er"). I never heard the name "Nettie" in connection with her but I have heard the variation "Nella". My father's name was Don Richard O'Connor, not "Donald"

My name is spelled "Sheila", not "Shelia".

48425 58915

My daughter is Kathleen Sue Lashley. She went by "Sue" as a child but now prefers "Kathleen". She married Dougan Hales in 1970 and has 2 sons, Oliver Dougan Hales, born Dec 30, 1981 and Ian Patrick Hales. born June 23, 1984. She and Dougan are now divorced.

16 58917

I never heard of James Doyle Schumacher, whom you show as the 3rd son of my Aunt Irma. According to the birthdate you show, I would have been 17 when he was born so I don't see how I could have not known about him if he existed.

The information I have for John Jacob Iler, Sr. shows David and Daniel as 2 different people. However, I don't know how accurate that is as I have found one site that lists 15 children for Jacob and Magdalena and another site that lists 18 children.

Do you have anything on Jacob Iler's parents? (The Jacob born in 1747).

For future reference in case you need it, my mailing address is:
Sheila Lashley
4224 Fowler Ave
Silver City, NM 88061

Thank you again for your prompt attention to my request. I hope the information I have given you will be helpful.
Sincerely,
Sheila Lashley

I tried to contact you several years ago to give you information on his son, John Quentin Delmar Iler. I saw a geneology listing in Kentucky when we went to search for my dad's family. I saw that you had no information on his youngest son.

16204 16094

Descended from Henry Iler . His second wife was Sarah M Sandefur. Zachariah Thomas Iler was my great grandfather. My grandfather's name was John Quentin Delmar Iler. He left Kentucky because of a barroom fight. Thought he had killed the man. Moved to Heavener, Oklahoma. Married Willie Lee Foreman. His first marriage, her second. Only child, Elba Lee Iler 13620 was born 04-16-1926. She died when Elba was 9 years old. In 1935, John went to Kentucky to visit and found out he hadn't killed anyone. His stepbrother, Finley Parks, offered to set him up in the merchantile business if he wanted to stay in Kentucky. They returned to Oklahoma and John Quentin Delmar Iler died in 1936 at VA hospital in Arkansas. He is buried in Heavener Oklahoma. Elba lived with relatives and on various farms until he joined the Navy in 1944. He served in WWII. Returned to Oklahoma City and married Betty Louise Hayes in 1946. They had two children, Sandra Lee Iler born 03-04-1947, and Sheryl Denise Iler born 07-25-1948. He divorced in 1956. Remarried Inga Soderstrom Cardwell in 1956. She had two children from a previous marriage. James Melvin Cardwell borm 03-05-1951, and Sherry Lynette born April 1, 1952. They had a daughter together, Jayne Marie Cardwell Iler born October 30, 1956.

If this information helps I can give you further info. I would like to find out more about the Iler family. My dad believed that he had no living relatives. He died in August of 1985 and my sister and I want to know something about his family. We are the only Iler's in Oklahoma.

If you can help, I would appreciate any information you can give me.

I saw your name mentioned by Hermon Fagley on the Clermont board. Rebecca Iler married Joshua Harden in 1824. She died 12-18-1831 at the early age of 27. I believe, contrary to others, that she and Joshua had a son John in 1-1825. John is my 1/2 ggreatuncle, the brother to my ggreatgrandfather Edward. Do you know anything of Rebecca Iler and her marriage and poss. family?

Thanks!

Hi! Got the latest issue this week. Always thought I didn't have many cousins, but you have proven me wrong. Sure don't know many of them.

My Eyler research is still at the brick wall, but I keep trying. Today, while looking for a diff PA ancestor I came upon the PA Rev War Military Abstract Cards which I didn't know was on a site. You no doubt have seen these, if not these are the names I jotted down:

c1776

EYER, (yes, this spelling) Christian
EYLER, Martin in Lancaster Co
EYLER, Frederick & JONAS in York Co
EYLER, Michael,
EYRICK, Conrad in Berks Co.

Images can be printed! Are all these considered EYLER, not matter the spelling?
Thanks for keeping on your list. Hope you are keeping well.

Morgan,

After finding a death date for David Eiler on the SSDI, I also located his Florida death abstract info.

264

DAVID THURSTON EILER
certificate #55325
death date; 29 April, 1994
birth dtae; 27 April, 1929
race; white
place; Orange

The place listed may be the county, as the SSDI lists Orlando as David Eiler's LKR.
Also, I discovered Richard Eiler (S.S.# 192-20-8717) on the SSDI with a LAST KNOWN RESIDENCE in Albuquerque, New Mexico,87112 zip. With this information, it seems like I may expect more of the EY line branches in New Mexico and Florida!

Morgan,

I apologize! I forgot to mention that all of the Eiler women on the list were born Eiler's. Therefore those "picks" for Dawn, Carol and Elsie (57359) cannot fit in this EY branch!

Most of the other details right now look like matches except; Bruce Eiler cannot be #30780, as The other Bruce is not dead!
Also, did I miss the significance of you forwarding 50966 Bundy Oiler's information?

Carl Eiler , David Eiler and Bright Eiler are definitely matches. Bright Eiler must be the son of another Bright, Bright Eiler Sr. 30777

The Schumacher avenue address for David is correct, as his father's name Sylvester Eiler (also Schumacher Ave.)
I am told David moved to Florida, and the death information I emailed you from the index is correct for him, as that is the same individual.

If you come across anything about Richard Eiler's family in Albuquerque New Mexico, I would still be interested. He definitely is the Richard Eiler on the SSDI, and belongs in the EY line!
All 15 of those Eiler's I listed are descended from your designate EY113 (24807), and the majority of the 15 have lineage via EY11371 Harry W. Eiler, (49909).

Details about them in the scheme of things will be included in the mailing to you I plan to send out Mon. or Tuesday.
thanks again, Bruce

Morgan,

Thank you for the additional information about the Eiler's.

In referencing an Eiler directory from 1991, there were only two listings
for Eiler households in New Mexico (Richard & Robert D.)
The Richard Eiler address is most likely for the one in the EY line:

25859

Richard Eiler
2420 Morris St. NE, Albuquerque,NM

Richard Eiler is deceased, so I can reference the internet to see what
Eiler listings are current for that state.
I will gladly look, if there are any Eiler names from the year 1991 that
you wish me to reference for an address. They are limited to that one
spelling.

Hello,

I am so very excited to hear from you. The following is very much like what you sent. Oh what a thrill.

John Eiler was born April 24, 1807 in Germany, came to America 1832, going to Pennsylvania, migrating to Indiana, married Elizabeth Kizer, Jan. 7, 1835, in Henry County, Indiana. They had 10 children, all born in Indiana.:

JOHN	BORN ABOUT 1844
SAMUEL	BORN ABOUT 1846
ABRAHAM	BORN ABOUT 1848
SUSAN	BORN ABOUT 1850
WILLIAM	BORN DECEMBER 1852
MARY	BORN ABOUT 1855

CATHERINE	BORN 10-17-1837 (My Great Grandmother)

Elizabeth Eiler passed away July 6, 1861 at the age of 43 years. He then married a lady by the name of Rebecca Sawer on June 19, 1866.

Catherine Eiler married Jacob Webster,
they had a daughter Jennie Rebecca, who married William C. McNeal, who were the parents of my father Ralph Webster McNeal. I was born in 1939.

This is truly a blessing. I can't express how thrilled I am. I have bought cd's from Genealogy.com, and was at one time a member of Ancestry.com. Each time I tried to locate any of the family members on my fathers side, it was always a dead end.

I just started my search 2 years ago.

A sincere thank you.

gaged going through the registration books of 1924 and are copying the names. It is known that some of these are incorrect but there is no way of telling what per cent of those who registered in two years as the poll books are not available. The law is that those who did not vote in 1924 must register again.

The list of deceased voters since the last election has not been furnished by the county health officer nor has the list of those who have been disfranchised been furnished by the county clerk, the law saying that this cannot be done more than three days before adjournment or less than one day. The law further provides that the names of those who have moved out of a precinct can be stricken off by verified application signed by one or more voters of the precinct and filed with the Board.

HISTORY OLD HOUSE GOES BACK 90 YEARS

Andy Barnes Tells About Landmark That Is Being Moved

Additional information has come to light concerning the age of the old house near the filling station of the Gatewood Brothers which is being moved to the eastern part of the city. Since the publication of the story the other day tracing its history back about sixty years ago, it has been learned from Andy Barnes, for many years engaged in the hardware business in this city, that the residence was built by his father, John Barnes, one of the very early settlers of Noblesville. The son does not remember the exact date the house was erected but he says he was always told that it was built during the early part of the thirties. Barnes was a blacksmith and had a shop on the same lot. He worked at his trade there for a number of years and although Noblesville was the county seat Barnes finally came to the conclusion that there was not as much business around here in his line as in the northwestern part of the county so he located at Boxlevtown, established a shop there, later located at Millwood and finally moved to Iowa where his death occurred.

These figures make this house one of the oldest if not the oldest in the city.

William Eiler Suffered Complications Arising From Broken Leg

THROWN FROM A WAGON ON FARM

Lived For Several Years With Married Daughter In Elwood

The body of William Eiler, whose death occurred at the local hospital, has been removed to the Leatherman undertaking parlors at Tipton and prepared for burial. Eiler lived at Elwood but has been in the Hamilton county hospital for three weeks suffering with a broken leg the result of an accident with a runaway team while he was working on his farm in the northern part of Hamilton county. Complications developed a few days ago and it was thought Wednesday that he could not recover.

The father was a native of Germany, coming from Germany to America in 1832, locating in Pennsylvania. Leaving the Keystone state he went to Hagerstown, Ind., where he built the first frame house erected in that town. From Hagerstown he went to Henry county where he was married and after a resdence of eleven years he came to this part of Indiana. He died several years ago.

William, the accident victim, was a well respected man and did his full share in converting wooded swamp land into fertile farms. His wife died fourteen years ago and since then he has been spending part of his time among his children, for the past several years residing with a married daughter at Elwood.

FOR MAIL ONLY

Rural Mail Boxes Not For Hand Bills and Circulars

Postmaster Wheeler has received a circular from the Fourth Assistant Postmaster General asking him to remind all citizens that rural mail boxes are to be used only for the reception of matter regularly in the mails. The communication follows:

The frequent finding by the carriers of advertising and other similar matter in the boxes of patrons on rural delivery routes, makes it necessary to remind all persons concerned that these boxes on these routes are exclusively for the reception of matter regularly in the mails, and that any mailable matter, as circulars, sale bills, etc., deposited in them is subject to the rules governing the mails, including proper addressing and the payment of postage at regular rates.

The regulations (sec. 773, Postal Laws and Regulations of 1924) provide that when a rural carrier finds deposited in a box mailable matter on which postage has not been paid, addressed to or intended for the person in whose box it is deposited, he shall take such matter to the distributing post office to be held for postage and treated as prescribed by section 529.

Big Company Helps Local Merchants Keep Business at Home

How one of the largest manufacturng concerns in the country co-operates with their dealers to keep local business in the hands of local concerns, was interestingly brought out in a talk with one of our leading tire merchants last week.

The company to which he pointed particularly for its work in this direction is The United States Rubber Company, which has perhaps gone further along these lines than any other tire concern.

There are several reasons, aside from the very good point of keep

Funeral of Mrs. Jerry McNew at Atlanta, Wednesday

59386 #5667

Relatives in Atlanta were advised Tuesday of the death Monday night of Mrs. Mary McNew, widow of Jerry McNew, at the home of ~~her daughter~~. Mrs. C[illegible] Smith, near New Castle, at the age of 82. The funeral will be held at the M. E. church in Atlanta at one o'clock Wednesday with Rev. Anderson in charge and burial will take place in the Sumner cemetery, north of Atlanta, beside her husband, who died 22 years ago. Her death is said to have been due to high blood pressure and a heart attack.

Mrs. McNew was born April 4, 1855, a daughter of Mr. and Mrs. John Eiler, early residents of the northern part of Hamilton county, and spent nearly all of her life in that community with the exception of a few years when she resided in the vicinity of Durbin, in Wayne township. ~~Two years ago she~~ went to New Castle to make her home with her daughter.

She was a member of the M. E. church and active in all branches of church work as long as her health would permit. Owing to the crippled condition of her ankles, Mrs. McNew found it necessary to walk on crutches during the last five years of her life.

In addition to the daughter, at whose home her death occurred, the deceased is survived by one son, Claude McNew, of Indianapolis, five grandchildren and four great-grandchildren and also several nephews and nieces.

For some time I have been questioning the death date of Daniel Oller's wife Mary Magdalena Fetzer.

One rootsweb submitter, Tom Brockman had her b.1819-d. 1899, married to Daniel Oller with children: Sarah b. 1842 married to Nathan Billman; Zacharias b. 1844; and Caroline b. 1848 married to John Simon. I found on 1880 census Mary M. Oller, other, widowed, b. 1819 in the household of John Simon with wife Caroline S. in Spencer, Medina, OH. Nathan Billman with wife Sarah M. is living in Homer, Medina, OH. This must be Mary Madalena Fetzer Oller.

Another researcher King has Mary Magdalena Fetzer d. 1840 with children: Samuel, Lucinda, Elizabeth and Abraham.

So, I e-mailed Betty Ollar Mozisek (whom you have listed as a source) and she replied:

"Daniel Oller/Aller was born about 1794. He was first married to Mary Magdalena in PA. Her maiden name is believed to be Sommers dau of Abraham Sommers, Sr. In 1824 there is a deed transfer from one Abraham Sommers to Daniel Oller in the Stark county courthouse in Canton, OH. Daniel Oller is buried in the Kope Cemetery, Canaan Twp. (died 8 Mar 1866 71y/o). Daniel's first wife is in the same cemetery and she is the Magdalena that died in 1840 aged 39 y/o.

Daniel Oller/Aller married 2nd Mary Magdalena Fetzer 21 Oct 1841 in Wayne County, OH. by George Henry Weygandt" [I have seen him as a minister].

Abraham with wife Mary E. [Spangler] are on 1880 census in Cannan, Wayne, OH as is George S. Oller [son of Abraham] with wife Sarah A. [Vanover] . A neighbor of George S. Oller is Valentine Fetzer, bro to Mary Magdalena Fetzer.

So Daniel Oller/Aller s/o Conrad/Hansil (Hensel) was married 2 times to 2 different Mary Magdalena's: [1] Mary Magdalena Sommers Abt 1802-1840 and [2] Mary Magdalena Fetzer 1819-1899.

38107

Another mystrey I am trying to solve involves Margaret Oller/John Sonnedecker (Sonedecker). Margaret is dau of Conrad Oller. I found on 1880 census a Margaret Sonedecker, mother,age 83 b. 1797 in MD living in the household of Andrew Sonedecker b. 1821 with wife Mary J [Bracken] in Wayne, Wayne, OH.

From source: Dutch Glory Church Register 1791-1860 of the Bethlehem Luthern and Reformed Church Bethlehem Township Washington Co.,PA translated, arranged and transcribed by Margaret Miller Simon 1981 I have children for Margaret/John as:

Anna 20 Feb 1819
Barbara 7 July 1820
George 22 Nov 1825

I found an LDS record that lists Andrew b. 6 Nov 1821 as son of Margaret Oller/John Sonnedecker; however, church records list: Andreas b. 6 Nov 1821 as son of Johannes [Henry] Sonnedecker and Rebecca [Heckert]. Their death dates are listed as 1851 and 1861. So who does Andrew belong to and how does Margaret fit into picture? It is doubtful he was adopted--maybe raised by John and Margaret (I have seen that in other relatives homes).

I found 2 of Conrad's children living on the 1880 census:

In addition to Margaret (who lists parents as born in Baden) I found Samuel Oller living with grandson William with wife Mary J [ane Hampson] in West Bethlehem, WA, PA. Also in household is dau (of Samuel) Elizabeth Oller, mother. William was born out of wedlock. Samuel lists his parents as born in VA; however, if what we have on Elizabeth is correct she was born in PA.

I understand from my sister that Samuel lived on Conrad's place so this may be Conrad's land.

So we have different birth place for Conrad.

I have been researching John Aller married to Coziah UNK. He had a son Peter married to a Shepherd, but I have been unable to establish whether he is related. Depending on which birth date accepted he could be a brother or father to Conrad. Do you know anything about this John Aller? The only reason I am looking at John Aller is because of the custom German families have of naming a 4th son after their own father.

Well, this ended up longer than I planned and I trust it was not too cumbersome to wade through. The important thing is if you are keeping up with Conrad's family (you sent me a printout 24 May 2002) that this new information on Daniel Oller is important. Harriet Aller Storaker

SOPHOMORE CLASS HISTORY

J. C. Gschwind, Pres. Wilbur Swope, V. Pres. Glenn Hayne, Sec.-Treas.
Class Colors: Blue and Gold Class Flower: American Beauty Rose
Class Motto: "Never Say Fail."

The members of the class of 1931 began making themselves known while in the seventh grade, by taking part in the two plays, "The Order of the Boiled Owls," and "Thirteen Old Maids," and again in the eighth grade by taking part in the Operetta "Kathleen."

The year 1927-1928 was our big year. As Freshmen we were determined to show the Sophomores, Juniors, Sniors and Faculty that we weren't as green as we looked, and had pep and skill. We were initiated into the Philo and Delphic Literary Societies. At the class election Beulah Neff was elected President, Mary Jane Gschwind Vice President, and Dale Michaels Secretary-Treasurer. Mr. Stansberry became our class sponsor. Parker Agnew moved to Rising Sun and entered our class to make the membership total seventeen instead of sixteen. During the year a few of the boys played football. Two members played in the High School Orchestra and most of us were in the Boys' and Girls' Glee Clubs. We also took part in all other school activities.

With the exception of Cletus Deer, all the members of our class returned to school this year. When we met, we discovered that Glenn Hayne and Wilbur Swope had entered our midst. During this year Gerald Laney was forced to leave school and Parker Agnew moved to Illinois. Mamie Betts and Natella Klotz entered our class during the first semester. We had elected Parker Agnew President, J. C. Gschwind Vice President, and Glenn Haynes Secretary-Treasurer, and when Parker resigned J. C. succeeded him. This year we have taken an active part in football, Girls' and Boys' Glee Clubs and the Literary Societies. At the High School Field Meet the Sophomores carried away most of the honors. We also received a class pennant for having one hundred per cent class attendance at the four numbers of the Entertainment Course. For our Literary Program we gave the play, "The Merchant of Venice." We are striving to do our share in making this school the best.

Class Roll: Mamie Betts, Royal Brown, Luther Edinger, Charles Griffin, J. C. Gschwind, Glenn Hayne, Kenneth Helsel, Florence Iler, Gage Geyer, Mamie Kline, Dale Michael, Effie Mae Miller, Beulah Neff, Raymond St. Clair, Melvin Stone, Wendell Thaxton and Wilbur Swope.

Subject: George Eyler Family of Maryland/Pennsylvania/Virginia

---

Good evening, Mr. Iler:

I saw a posting on RootsWeb regarding the Iler/Eyler family and that you were an expert in that area.

I am assisting a friend with her Eyler ancestors. I am seeking information on a George Eyler, born about 1840 in Maryland, who married Amanda Barbara Beck 59805 about 1861, probably in the vicinity of Franklin County, PA.

George and Amanda had five known children, George W., born about 1868 in MD, John, born about 1870, also in MD, Charles Edward, born about 1874 in VA (married Myrtle Hawk), Henry, born about 1875 in VA and Mary, born about 1877 in MD. My friend is descended from the Charles and Myrtle line who eventually settled in Sullivan County, TN where Charles died about 1942 and Myrtle in 1967.

If you would have any information on the above, and would be willing to share it, I would very much appreciate it.

Thank you for your time.

Subject: NEW DATA

Hello Morgan

I just received the death certificate of John Iler Jr (18359 NY11) from the State of Michigan. **Here is some new data:**

born Sept 13, 1831 in **Ohio**
died **June 20**, 1915 in the **Township of Sherman, Osceola County, MI**
buried June 23rd in **Sherman Cemetery**

ENTERED

It lists his mother's maiden name as **Serfass**, which is another form of Searfoss.
Sarah J Searfoss (18358 NY1*)

Another interesting listing is that of the place of birth of John's father, John Iler Sr. (18357 NY1). It lists Pa and not OH. Now we know that the information is only as good as the person giving it, but it's possible that when Jacob Iler Sr (18354 NY) and his wife left Maryland to go to Ohio that they could have gone through PA and John Sr was born there. Who knows for sure, but very interesting.

Morgan

As you know, 1 of the missing items in my Iler branch, is on John Iler, Sr.. His exact death date and location remain unknown. He is reportedly to have died before 21 May of 1835, the marriage date of his wife, Sarah J. (Searfoss) Iler to Jacob Folk. In my previous message, I mentioned about the signature of Jacob Iler/Euler, his father. Along with Jacob's signature, is one for John Iler. It translates to **Johannes Euler**. John lived in Pickaway County, Ohio, along with Jacob Sr. before they moved to Hancock County. In Pickaway County they lived in Walnut Township, according to what info I have. I have never been able to find John on any Census records.

Today, I may have found him. On the 1830 Census for Walnut Township, Pickaway County, Ohio, I found the following.

John **Eyler**, age between 20-30
breakdown
1 male between 20-30 (possibly John Iler, age would be about 21)
2 females under 5 (possibly Eliza, born 1827 & Margaret, born 1830)
1 female between 20-30 (possibly Sarah J. Searfoss, age 28)

Now, I know it says **Eyler,** instead of **Iler** or **Euler,** but you know how inaccurate the Census takers were.

Here is my question to you. Do you have any listing for a John Eyler, age between 20-30, in that location in your records for this time period? If you don't then maybe I've finally found my John Iler Sr.

George

While going over the file that you sent to me I noticed 2 additions that I can help with.

1 = 18576 NY43 John Rawleigh Eiler
2 = 18577 NY43* Catharine Finira Hanson 03 Sept 1851 Towerhill, IL

Dear Morgan, 57202

Thanks! By the way, Edythe May MILLER Bender died on June 2, 1989, in Logansport, Cass Co., IN. Grandpa, Edward "Eddie" John 60214 Bender Sr., died on Aug. 4, 1991, in a nursing home, and my mind just lost the name of the town! It starts with an "M," I believe, and isn't far from Logansport, where he waas born.

Hey! Where did you learn that Elizabeth "Elzina" Catherine STOVER's other last name was Goodyear? I had no idea! I'm sure that no one else in the family does, either, since she's in the family Bible as Elzina Stover. Was she married before she married John Henry? Thanks for any info on this matter, since we don't even know where she was born, though this could help further our research on the Miller side.

I'll forward this to Betty, as well as telling Bobby and Cliff about it. As you say, Cliff is my late grandmother's 4th cousin.

Love, Polli

OOPS! I'm sorry about the Miller reference! You see, Claude Levi was the s/o Isaac W. Miller & Ellen "Ella" Frances CONWELL<Corbin H. (probably Harry) Miller & Barbara LUNG<Gordon Miller & Sarah STAUFFER.

That's where I mixed up my Miller and Wysong.

I have Millers in Irish, English, and German(Gordon) lines!

Love, Polli

Great job, and thanks! I'll send these out, too. Now, my head is clear on the Goodyear & Oyler, and Stover & Wysong!

Love, Polli

He knows very little about his ancestors, but seemed very interested in our reunion. I think they might attend. He is the cousin to D.E. Eilar in Greencastle, IN. Everyone calls him DE.

Orel W. Eilar (deceased) Daughter's name is Connie (Eilar) Harber, 19578 Promise Road, Noblesville, IN 46060
317-773-6732

She was born near Noblesville but her Eilar ancestors were from Southern, Indiana. I'm not for sure how interested she is, but she did not say No.

Tonight I will mail out their invitations to our reunion.

The photographer who took pictures at the Farmer's Pike, stopped by my house to show me some pictures he had taken of me. Guess what? He reinstalled my mailing addresses into my address program. Free! He is very nice!

Yesterday and today, I cleaned out the hedges beside our drive way. Rodney helped about 50% of the time. We ended up using the truck and chain to pull the roots out. What a project! If I had left the roots, they would be back again next year, with full-speed growing strength. Ha!

Aunt Hazel was better today. We actually carried on a civil conversation for about 45 minutes. She didn't want me to leave, so I stayed until she fall asleep.

Achieved my, duplicate bridge, Bronze Life Master this past week. It is one step above a Life Master. I only needed less than a point, and I placed first at both of my last local tournaments.

Hope all is well, cousin dear. Time is moving right along, and before we know it, November 1st will be here. I hope to be a little more prepared than last year, especially with the pictures.

Your Hoosier Cousin, Dixie

The Solomon Eyler you speak of is a descendant of Conrad of the C-I-J (my) family line. I have attached a couple of files. I have little or nothing about his descendants beyond his own 7 children. This doesn't mean I have nothing about his descendants, just that I have never made a connection thus far with any other Eyler's in my files. BUT they could very well be there.

You say nothing directly about my request for knowledge of your wishes concerning my INL but your words would suggest you would like to remain on my mailing list and I have made such a notation in my mailing list files.

Happy Thanksgiving...... and happy genealogical hunting. Incidentally there are a lot of George Washington "Iler's".

Subject: Newsletter poll response,

Mr. Iler,

Sorry about the late response to your newsletter poll. The past month has been unbelievably busy and I'm just now catching up on a month of mail.

- Yes, I am still interested in receiving your Iler Newsletter

- With regards to content, I find the entire newsletter in it's current format interesting. I can't honestly say I would change a thing.

I appreciate the effort you put into the newsletter. Please let me know if you would accept a donation to help cover the postage. I know you didn't ask for it, but I know first-hand what this hobby can cost.

Regards,
Mike O'Brien
LO descendant in-law

PS. Would you be willing to share Susan Plank's contact information? I'd like to get access to the Rocky Hill church records by don't know who to call.

Some more information on some of Susan Plank's Eyler photos:

Row 1 far left: Norman was my wife's great-uncle (brother of Helena, who is still living but suffering advanced stages of Alzheimer's.

Row 2 second from left: My wife's great-grandparents. Sarah was an Eiler.

Row 2 far right: my wife's great-great grandparents

Row 3 center: another great uncle

Row 3 far right: George "Barry" Eyler was my wife's great-uncle. He was part of the Normandy Invasion with his brother, Carl. Uncle Barry suffered a stroke in the early 80's and couldn't speak, but his sense of humor came through - he always had a smile and a laugh, and loved the kids.

Row 4 far left: looks like a typographical error. Should be George L. This is Uncle Barry and his wife.

Edward Fogle may have been an ancestor of Maria Fogle, who married George Lock. Their daughter Nancy Lock married Ludwig Petrus Iler. Just a guess.

Morgan, EKC 60457

Thank you for your quick answer. I will gladly share anything I find on Nicholas ILER. My descent from him is based on pure speculation at this point.

My ancestor was Sophia Tucker who married John Hutchinson Harry in 1828 in Lincoln County. She was a daughter of John Tucker of Lincoln Co, NC. John Tucker died in 1847 in Cleveland Co. which was formed from Lincoln Co,. NC in 1845. His wife was Eleanor ? at the time of his death. I do not believe she was his first wife.
60458

Children of John Tucker:

60459 60460
1. NICHOLAS ILER^2 TUCKER, b. 1801, Lincoln Co, NC; d. Alabama or Arkansas; m. ROSANNAH DICKSON, 23 October 1821, Lincoln Co NC; b. 1802, NC; d. Walker Co AL.

60461 60462
2. ELIZA TUCKER, b. 08 September 1802, Lincoln Co, NC; d. 25 January 1871, Cleveland Co, NC; m. JACOB GABRIEL BEATY, 22 March 1823, Lincoln Co, NC; b. 28 February 1795, Lincoln Co, NC; d. 24 August 1869, Cleveland Co, NC.

60463 60464
3. SOPHIA TUCKER, b. 1804; d. Abt. 1835, Lincolnton, Lincoln Co, NC; m. JOHN HUTCHINSON HARRY, 19 November 1828, Lincolnton, Lincoln Co, NC; b. 19 March 1807, Harrisonburg, Rockingham Co., VA; d. 21 October 1844, Fort Bend Co, TX.

60467 60468
4. JOHN M TUCKER, b. 26 August 1809, Lincoln Co NC; d. 30 July 1878, Cleveland Co NC; m. (1) DORCAS NOWLIN, 1835; b. 11 April 1811, NC; d. 10 February 1864, Cleveland Co NC; m. (2) CAROLINE J CABINESS, 28 June 1865, Cleveland County NC; b. 1817.

5. NANCY L TUCKER, b. 1810, NC; d. Missouri; m. GRANISON VAUGHN; b. Abt. 1805; d. Missouri.

60472 60473
6. SAMUEL B TUCKER, b. 1817, NC; m. FRANCES; b. 1817, NC.

At this time I only have abstract of Nicholas Iler's will - I hope to get copy of will soon and look for more in probate.

Abstract found in book in Tryon County Library. Lincoln County Wills

Nicholas lived in Mechlenburg Co., NC in 1790. At the time of his death, he was living in Lincoln Co,. NC.

1790 Census - 2 free men over 16, 1 under 16, 2 females.
Have not found him on 1800, still looking.

Note that in will... Nicholas Iler does not leave John Tucker anything, nor does he mention a wife of John Tucker. The 4 Tuckers mentioned are the oldest 4 children. Not mentioned are Nancy L. Tucker born 1810 or Samuel B. born 1817. John Tucker named as Executor.

These are the clues I have about Nicholas.. got lots of work to do...

Will let you know of anything I find.

Betty

Nicholas Iler lived next door to John Wilson in Mecklenburg County. They lived north of where now the airport is located (between the airport and downtown Charlotte. His neighbors were the Berryhills, Tagerts, Wilsons and not to far away, the McClures.

Here is what I found in the court records Mechlenburg Co., NC

July 1783 Court of Common Pleas and Quarter Sessions:
Nicholas Iler appointed guardian of Elenor McClure, orphan of John McClure deceased so that she could received her inheritance from John McClures estate. (John Tuckers wife when he died was Elenor (?) !... this could possibly be her!!!.... bjv)

1786 March session:
Michael Stinson, age 17 makes a choice of Nicholas Iler as his guardian. Thom. Greer bondsman for security.

June 1786 Session:
Hannah Berrhill, orphan of Joseph Berryhill, deceased ordered James Tygart be appointed guardian of Hannah and entered into bond w/ Nicholas Iler as security.

1789 January Session:
Nicholas Oiler (Iler) be appoointed overseer of public road from Polks Mill to Charlotte. (Polks Mill was on Sugar Creek). Francis Urey appointed overseer from Catawba River at Martins Ferry to Nicholas Iler's branch to Polk Mill.

1790 April Session: Joseph Wilson be appointed guardian for John Maxwell and William Maxwell with bondsman Nicholas Iler for security.

Also found the following marriages in Lincoln Co.:

Nicholas J. (I) (Iler..bjv) Tucker m. Rosanna Dickson 23 Oct 1821 (this is son of John Tucker who died 1847)

John Tucker to Catherine Pritchardt 16 April 1829 - (unknown at this time)

Subject: Happy new year!

Morgan,

Happy new year to you. How are you doing? I hope you had a good holiday season. We are doing well. I was in the process of updating my genealogy files to check for loose ends that I didn't get to during the year (which I try to do at the end of each year) and noticed that I had some questions on the Eiler family that maybe you can help me with.

One of the questions I have is that you mentioned that in 2002 it was shown that C. Michael Euler was not the ✓
father of Johan Conrad Euler. Do you know what the proof was of that and whether another set of parents for Johan Conrad Euler has been found? Also, in some information I got from you a while ago you mention 9 children for ✓
Phillipp Roden and his wife Catharina, but I only have Anna Roden listed as their child. Do you have the names of the other children? Anna Roden was Johannes Gemelck's wife and mother of Anna Margaret Gemelcks (wife of Johan Conrad Euler).

Thanks in advance for any help on this and next year I will try to stay more on top of these questions :-)
Happy new year,

Cristina Mahon

Dear Morgan,

Am sorry to be so long in answering the request in your Newsletter and note of November. Sort of got lost in the Christmas rush and confusion. Also, I'm great at procrastinating..

Through the years I have enjoyed receiving the 'ILER NEWSLETTER' from you and have all of the newsletters that you have sent me. However, believe, because of the information you have furnished, you have traced Frank's Iler connection back to Germany and before the original Conrad migrated to America. Would never have been able to up-date our records without your assistance.

However, I have reached the age of 82, think I have about finished working on Genealogy, and the time has come to cut my name from your mailing list.

However, to up-date your records on our line here in Winslow, William Thomas Iler died on May 15, 1993, and my husband, Frank Carter Iler died October 9, 2001. One granddaughter was born to our daughter, Barbara Iler DeNorch, on December 18. 1992, and named Sara Michelle DeNorch. ?

Really have appreciated all the work, time, effort, and money you have put into the Iler research. Will miss the Iler Newsletter but it is better to remove my name at this time.

Sincerely,

Margaret D. Iler

Subject: Ivan Iler & Family

Morgan

18677

This past weekend, while bowling in a tournament in Merritt Island Florida, another bowler noticed my last name. He told me that his wife was an adopted daughter of an Ivan Iler. He said that his wife would like to hear from me, so he gave me her e-mail address. With the information that she supplied I was able to do some research online and give her some information on that family. It seems that Ivan had worked in Highland Park, Michigan, where my father, Clyde Iler was born. Also, at some time in the past her Iler branch had lived in Ohio.
I know that this is not connected to my Iler branch, but I thought that I would supply you with what info that I've come up with, in case you don't have it.

The woman name is Aura (nee Iler) Edge, adopted. Originally from Panama, descended from Mayan Indians on mother's side, and her father was Greek?
Husband's name = Jerry "Pete" Edge 60516

From the 1930 Census, Highland Park, Michigan

4 Grace O., Wife, age 19, born Il, father Switzerland, mother OH
Married = same age

Ivan's father= Joseph N. Iler, mother = Dollie/Dolly Baley 18669
Joseph was born 3 Aug 1879, Convoy, Van Wert Co, OH 18670

JACOB^3 ARNER ***(probably ULRICH^2, ULRICH^1***, but see NOTES***)***, **probably** born about 1758-59 in Heidelberg, Northampton (now Lehigh), Pennsylvania, USA; married about 1788 probably in Essex County, Ontario, Canada to **MARIA BARBARA ARNOLD** (daughter of FREDERICK JOHN ARNOLD and MARTHA SCHAUER) who was born 16 March 1767 in Germany and died January 1818 in Gosfield, Essex, Ontario, Canada.

He is **probably** the Jacob Arner who enlisted in the 1st (Captain Jost Dreisbach's) Company, Count von Ottendorf's Corps on 21 February 1777 (PA:5:3:897, 898)$_{(C)}$. [NOTES: This is the same company that Johannes^3 Arner *(Ulrich^2, Ulrich^1)* enlisted in a couple of months later. If Jacob was the son of Ulrich^2 Arner, then this Johannes would have been his (next younger?) brother. Ottendorf's Corps was broken up into independent companies in June 1778, after Ottendorf himself had deserted to the British. At least two of those companies were later stationed in Wyoming, Pennsylvania, but probably not until early 1779, so that may just be coincidence. (To see the reason that Wyoming is important, see the Notes here.)]

He is **probably** the Jacob Arner who signed the Oath of Allegiance on 27 August 1777 in Northampton County, Pennsylvania.

He served as a Private in Butler's Rangers [NOTE: Butler's Rangers was a British Loyalist unit that was formed in 1777 with recruits mostly from the Albany and Mohawk Valley areas in New York, but Jacob does not appear to have been one of the original recruits]. They were stationed at Fort Niagara in what is now Ontario, Canada. After the American Revolutionary War was over, they were granted lands in Canada.

"Jacob Arner, Private, an artificer" was serving in Captain Peter tenBroeck's Company on 01 August 1778 (*Haldimand Papers*, National Archives of Canada, Additional Manuscripts 21765: *Correspondence with Officers at Niagara, 1777-1784; Pay List 24 December 1777 to 24 October 1778*).

On 20 July 1784, "Jacob Arner, alone" was on the list of persons receiving rations in Niagara District (*Haldimand Papers*, National Archives of Canada, Additional Manuscripts 21828: *Musters of Refugee Loyalists Desiring to Settle in Canada, 1784, DePeyster to Haldimand, 20 July 1784*).

On 10 January 1789, "Jacob Arner, 2 in family" then living in Malden, Essex, Ontario, Canada, was granted Lot 27 in the First Concession, in what is now Gosfield, Essex, Ontario (National Archives of

137

Canada, RG 1, Upper Canada, Executive Council, L4, Land Records, Upper Canada, 1764-1842, Volume 2, *List of Disbanded Troops, 10 January 1789*).

Their burial place no longer exists. It is believed to have washed away or eroded into Lake Erie.

Known children, born in Gosfield, possibly not in correct birth order:

JOHN⁴ ARNER, born about 1791; believed to have died young.

+ **JACOB⁴ ARNER**, born 03 December 1793; married **SUSANNAH ILER**.

ELIZABETH⁴ ARNER, born about 1794; married to **JOSEPH JULIEN** who was born about 1795 and died 1850. Known children: **JACOB JULIEN**, born about 1812, died January 1877; **JOSEPH STEPHEN JULIEN**, born about 1813, died 1849, married first MATILDA ARMSTRONG.

SUSAN⁴ ARNER, born about 1795; married to **JOHN WHITTLE** of Raleigh, Kent, Ontario. [He was **probably** a son of RICHARD THOMAS WHITTLE and MARIE JOSEPH EUSEBE THIBAULT. Richard Whittle served in Butler's Rangers and was granted Lot 29 in the First Concession.] She applied for a Land Grant as a child of a Loyalist (Council of Upper Canada: Orders of Council, 13 August 1840).

MARY ANN⁴ ARNER, born about 1796; died 12 August 1859; married to **HENRY HUFFMAN** (son of RUDOLPH HUFFMAN and REBECCA WEISS, from Frederick County, Maryland) who was born about 1796 in Colchester South, Essex, Ontario and died 13 October 1852. She applied for a Land Grant as a child of a Loyalist (Council of Upper Canada: Orders of Council, 04 February 1836).

Possibly CATHERINE⁴ ARNER, married after 1823 to **JOHN ARNOLD** of Kent County, Ontario (son of JOHANN LUDWIG (LEWIS) ARNOLD and CATHERINE SNIDER, and nephew of Maria Barbara Arnold, above) who was born about 1795 and died 1871. [NOTES: Or, Catherine **might** have been a widow, possibly of John Arner, above, if he lived long enough to be married; or a daughter of another unknown Arner in Ontario. There is an interesting family story that Jacob⁴ Arner, above, who later married Susannah Iler, had lived in his youth with an uncle "Mr. Arner" (presumably in Canada, but that's not known for sure).] [John Arnold was married first to Catherine McMullen and had at least one child, Catherine Arnold, born 1823. His uncle John Arnold had also served in Butler's Rangers, and had been originally granted Lot 27, the same lot which was later granted to Jacob³ Arner.]

MAGDALENA⁴ ARNER, born about 1800; married to _______ **BLAKELY**.

I have a Samuel Craun b 1848 married to Nancy Iler. Children Lemeul 1875, Wesley 1878, Cora 1878 & Charles 1882. Are any of these names in your database. My connection is through the Iler's.

Thanks,

Sandie Lloyd

Hi Sandie,

One reference I found in our Seneca County, Ohio publications to a Samuel Craun was in our Marriages of Seneca County, Ohio, 1841-1899, by Jean Seigley:

17312 17311

Samuel Craun, over age 21, m. Mary Iler, over age 21, 19 Aug 1869. Citation 6-522. LICENSE FOR BRIDE-- Nancy Iler. (Even though the bride's name is given as "Mary," does this date correspond to what you have for Samuel and Nancy? I'm not sure what the reference to "LICENSE FOR BRIDE-- Nancy Iler" signifies, unless she used "Nancy" on the License, and "Mary" was recorded as the Bride's name.

I also found some other references that might (or might not) relate to the parents of Samuel Craun.

First, since you mentioned that Samuel was born in 1848, I found, in the online IGI (www.familysearch.org) , a reference to a Samuel Craun who was born 28 Jun 1848 in Seneca, Ohio. His parents were John Craun and Nancy Kinsey.

Second, in our History of Seneca County, Ohio, Illustrated, by Warner, Beers & Co., 1886, pages 869-870, there is a biographical sketch on a John Craun who married, in 1836, Nancy Kinsey. Their children were Samuel, Jeremiah, Andrew, Cornelius, Abraham, Martha J., Joseph, and Peter.

This John Craun was third in a family of 11 children of Abraham and Rosanna (Miller) Craun. Nancy Kinsey was the daughter of Joseph and Maria (Kiser) Kinsey.

If you would like to see this biographical sketch in its entirety, go to web site: heritagepursuit.com/Seneca/SenIndex.htm. (Be sure to use caps as indicated in this URL.) Scroll down to Part IV, Biographical Sketches. Click on (page) 888 (Jackson Township). Then scroll down to "John Craun, farmer, P.O. Kansas........"

(I was amazed and delighted to find that the best part of our 1886 Warner, Beers book on Seneca County is also online for all to view, thanks to the selfless efforts of others.)

Finally, in our Seneca County, Ohio Cemetry Inscriptions book, I find John and Nancy Craun buried in Liberty Center Cemetery, Liberty Township:

Morgan,

Hello again, I found those phone numbers very interesting. I only knew who one of them are. Willie Gene Oyler of Ash Flat, Arkansas is Wilford Oyler's brother. Willie Gene will be at the reunion and is really excited about it. Willie Gene lives not fair from the old Oyler home place. Dow and Dewey lived close to where Willie Gene lives now. This information is according to Cherlyne (Oyler) Paderno.

Thank you so much for the CD. I am enjoing looking at the pictures and the articles on it.

Would you know how to get in touch with a Manroe Oyler? I think he is related to Frederick Oyler. I don't have much information to go on for Manroe Oyler.

Thank You again,

Jackie

Hello Morgan,
My information from Crystal is as follows:
1. Jacob Eyler 1808-1888. Don't know his wife or just where he fits in the family.

60565 60566

2. Jacob's daughter is Vermenia Matilda Eyler b: 1857 in Eylers Valley, MD. She married Augustus Muth b: 1852 and d: 1926 in Baltimore. They had 12 children.

3. Their son William Albert Muth married Myrtle Rose Glacken.

4. They had a daughter Naomi Muth who is the grandmother of Crystal Payne.

Maybe Crystal can fill in some more information. Grandfathers name. Brothers or sisters of Naomi, or of William Albert Muth, or of Vermenia. Mothers name, etc.

Thanks for any help.

Tom

As perhaps Tom Hays has told you earlier I have accumulated a lot of "Iler" information over many years. While I find your Jacob Eyler's name in my files I have virtually nothing besides that. It is possible however that I have a record of other members of his family, either ancestors or descendants. If you can provide a few more clues making a connection through others in his line about whom I may have information is often possible. Do you know of other members of his family such as brothers, sisters, aunts, uncles or the like? If I can find a link with any of these other names it could help to put more pieces of the puzzle together.

The following "canned" message will help you know a bit more about me and my genealogical activities.

======================

As a chronicler of "Iler" families for many years I have been researching the "Iler" family name, and families..... Eiler-Eilar-Eyler-Oyler-Oiler-Iler. With the possible exception of Oiler I have living cousins with all these spellings of the family surname, and perhaps Oiler too if I but knew all the facts. I currently have data covering just shy of 57,000 people over 80,000 names), and 10,000 or more family groups. All of these people are "Iler's", OR are members of, OR have some connection with, an "Iler" family.

I will gladly share/exchange data with you, and hopefully help both of us "put more of the pieces together".

A great many families and individuals of whom I have some record are "disjointed", i.e. unconnected, and I myself am looking for information which will help me link and consolidate/expand them for everyone's benefit.

There are probably actually only about 100 (give or take a dozen or two) truly different "Iler" families, on this continent. I have not actively explored overseas connections, though I have come by some such data. My data covers dates before 1600 to the present. Incidentally I am a genealogical oddity. My father who was born in 1851 was 66 when I was born in 1917. My mother was his 2nd wife, 30 years his junior, and I was an only child by that marriage. He had 11 siblings. He was the youngest in the family.

My father and I are descendants of John Conrad Euler (his surname can be found with any of the above - or other - spellings) the immigrant who landed at Philadelphia Sept. 11, 1729 (272 years before the WTC disaster). I have record of nearly 20,000 of his descendants.

A half dozen or so other families for whom I have some record have between 500 and 2,000 members each. Two or three additional families in my files have known members upwards of 500 people. There are a great many more family groups with known members of less than 100 each. There are some "families" with no more known information than a census or marriage record and occasionally with one or more children. Other people appear to be connected because of the similarity of locations, addresses. And a great many more individuals with only a miscellaneous "event" or two have no confirmed relationships.

Morgan, my mom ask, were you were looking for a girlfriend? She told my husband I was flirting on the computer. Always picking on me. At least I know they love me.
Crystal

Dear Morgan: We have our first Great Grandchild, he is "Cooper Allen Jones, born to our daughter's (Geri Gilmore & Peter Jensen) daughter Deanna Jensen Jones and Rob Jones. He was born January 30, 2004. Weighed 8 lb 4 oz., 20 and 3/4 inches, and has red hair like his Mommy. We haven't seen any pictures of him as yet, but are awaiting one momentarily we hope! Our daughter says he is beautiful, but of course!

11713 60617

Don't know if I sent you the marriage of our grandson Kristopher Allen Jensen to Megan Furniss-Vohs in Reston, Va., on October 25, 2003. He is Geri & Pete's son.

The grandson that you met Dennis Gilmore is at College finally, he worked for awhile and is still helping out, being an apprentice electrician, but now he is into studies at Rochester, Monroe Community College, refridgeration and plumbing. Heaven knows we need people who know profession too.

Hope winter isn't being too awful for you, We are about socked in. We've seen this before but this came on and doesn't stop, so it is hard to get ahead of it. Have to slow down and inch out of our driveway as it is so high. Most street corners are bad too, you'd think we might get used to it each year, but we got spoiled for a couple milder winters and now have to learn all over again I guess. Some people never learn to slow down though.

Heard from Dixie and Vergie about Aunt Hazel and Calvin Yockey both being very ill. And she says they are about to celebrate Aunt Frances' 95th birthday on the 23rd and that she is well.

Much Love,
Mary & Allen G.

Ex-Reeve and Prominent Man

Six neighbours, James Herniman, Walter Pook, George Birch, Oscar Fox, Roy Buchanan, and Jesse McDonald carried the remains of Solomon Baltzer to their last resting place in Erie Cemetery on Sunday afternoon, while a vast gathering of friends from the neighborhood looked on, paying their last respects to one they had known so well in life. An hour before, Rev. John Galt, who said the benediction at the graveside, had spoken very feelingly in the Baptist church, where Mr. Baltzer had worshipped for many years at Harrow. Only part of those who wished to hear the sermon were able to enter the church, which

was crowded to the doors. It was a fitting tribute to pay to one who had taken an interest in the community for so many years and it is with sadness that one writes of the passing away of the sturdy pioneers of South Essex from time to time. Solomon Baltzer was the last of a generation of outstanding public men - one who had outlived his contemporaries with whom he had labored in years gone by. He had only been ill a week with pneumonia, but as he was 86 years of age, his strength just gave out and he was unable to combat the attack. He was conscious to the very last.
Mr. Baltzer was born on the banks of Cedar Creek in Gosfield South, son of Jacob Baltzer and his wife, Mary Iler, which connects him with two of the most prominent families of South Essex. Two sisters are living, Mrs. George Bedell, of North Ridge, who in spite of her 94 years, was able to attend the funeral; and Mrs. David Hopgood, of Essex, who at 80 years of age was also at the funeral. Other members of this family who died years ago were Jacob, Samuel, David, and Catherine. Mr. Baltzer spent all his life in Gosfield South and Colchester South. He was a particularly good student and got a first class certificate right out of the Public School. The only college education he received was six weeks at Woodstock Baptist College. He left there to come home after a vaccination and never returned. He taught at Kingsville, the Section, Iler Settlement, Harrow and Sacvill, and was married in Amherstburg, August 1st 62 years ago, to Miss Lucy Iler, and during the first three years of his married life he continued teaching school, but had purchased 50 acres on the Potlake Road from Alexander Meston, and this became the Baltzer homestead, which was added to later. They had a family of three sons and two daughters, both of whom died young. The sons who survived are Lloyd, on the home farm, Delmer, of Orangeville and Harper, of Amherstburg. Mrs. Baltzer is deceased. Mr. Baltzer deeply interested himself in municipal affairs some33 years ago and became deputy - reeve and?reeve and during his time the town was engaged in some (?) arbitration cases, which were commented on throughout the province. For some years he has been living a retired life but continued his interest in affairs in the Province by intimate reading. He also took a lively interest in sports. He did not miss a (?)baseball game last summer and was an ardent supporter of the Harrow team. He (?) ...ample in citizenship...?...tinued, interest in....?...South Fair right up to the last and nothing gave him more pleasure than winning a ...? ..subscription every year with the largest pumpkin exhibited in the show. His integrity was unquestioned, his views on public affairs..?. sane and well considered ...?...decided opinion on that which affected the good and well..?...affairs in general, though ..?..at times open to disagreement ..?..a trait of character many of the present generation are lacking.

Notes for LUCY FANNY ILER:
Obituary: Amherstburg Echo, Aug. 1st, 1918
Mrs. Solomon Baltzer, who had been in failing health for the past two years, died at the family home, Potlake Road, Saturday last, in the 70th year of her age. She was a most patient sufferer, accepting her lot with Christian fortitude and resignation. Some time ago in hope that an operation would prolong her life 1525 she was taken to Harper Hospital, (in Detroit) but her condition was so weak that the operation had to be deferred. The last six weeks her decline was rapid. Funeral services were conducted at the home Monday forenoon at 10:30 by Rev. Thomas Frears, pastor Baptist Church, of which the deceased had long been a 1516 consistent member, and burial was in Erie Cemetery, the pallbearers being Forest and Ernest Iler, Walter and S. Scratch. A large number of relatives and friends both from the community and outside points attended the obsequies. Mrs. Baltzer's maiden name was Lucy Iler, daughter of the late Samuel Iler and his wife Thelia Slater. Their family were: Alma, Mrs. P. A. Henderson, Walkerville; Elizabeth, Mrs. (Dr.) Davidson (deceased); Hannah, Mrs. Horatio Scratch, of Kingsville; Lucy, Mrs. Baltzer, subject of this sketch; Charles, decesed; Richard, deceased; Ezra, of Windsor, and Frank B. of Harrow. She was married to Mr. Baltzer 47 years ago, when he was teaching at the lake front, and their whole married life was spent in this township.To them were born four children - Lloyd and Harper, on the home farm; Delmer of Guelph, and Della, deceased. The families represented were all at the funeral, excet Ezra Iler, who is in a poor state of health.

Eugene Kempf, 77, tireless Metro area Boy Scout leader

By George Hunter
The Detroit News

BIRMINGHAM — For more than 60 years, Eugene Kempf taught boys to build campfires, tie knots and do good deeds.

Mr. Kempf began his long affiliation with the Boy Scouts of America in 1938 when he was 12, and served the organization as a scout, scoutmaster, commissioner, chairman of camping, training director and as a member of the Detroit Area Council's Executive Board.

"He loved the Boy Scouts," said his wife, Wilma Kempf. "He really enjoyed helping boys become better people."

Mr. Kempf died of kidney failure Tuesday, April 22, 2003, in Beaumont Hospital in Royal Oak. He was 77.

Mr. Kempf worked at several Metro Detroit hospitals. He retired from Sinai-Grace Hospital in Detroit in 1988 after working 16 years there as office manager of the radiology department.

Mr. Kempf earned several awards for his work with the Boy Scouts, including the organization's highest honor for adult volunteers, the Silver Beaver Award.

He also received the God and Service Award; and the National Jewish Committee on Scouting's Shofar Award, which recognizes outstanding service by adults in the promotion of Scouting among Jewish youth.

Survivors include his wife, Wilma; four daughters, Dolores Patton, Laurel Rosser, Michele Kempf and Kathryn Racinski; a son, David; seven grandchildren; and two great-grandchildren.

Visitation will be from 3-6 p.m. and 7-9 p.m. Thursday in the William R. Hamilton Co.'s Bell Chapel, 820 E. Maple, Birmingham.

Funeral services will be held at 1:30 p.m. Friday in First Presbyterian Church, 1669 W. Maple, Birmingham.

Memorials may be made to the Boy Scouts of America Detroit Area Council, 1776 W. Warren, Detroit, MI 48208.

Hey Morgan,
It was apparently late when I emailed you. I can't remember what I said in my previous email. My husband and I would like to travel out towards Utah and Colorado area thats why I was curious about the terrain and such. I live in Crown City, Ohio. Its located around the tip of Ohio next to West Virginia. We're going to go backwards again (sorry if this confuses you) I know for a fact this--- My parents are John(Barbara Williams) Oiler and my Papa was Mildred(donna bloomfield) Oiler and his parents were Walter (sallyboggs) Oiler and then Jasper (katherine stone (wife #2)) Oiler and I have been told that Jacob and Lucinda(polley) are jasper's parents. Samuel born (1781) had Jacob 1834 from his 2nd wife Elizabeth Bass. If true would make him (samuel and elizabeth) in my line.? Jacob b 1742-ish wife Susannah Watner Oiler had Samuel 1781.

Now, I start to get confused here, I have been emailed saying John Jacob 1717/Anna fohl are the parents of Jacob 1742. and John Jacob's parents were Johan and Anna Margaret Woceiler.Who should be son to Conrad or Michael and wife anna catherina helfenbein Oyler from Maar hessen state, Germany???

Is this information right?? I am curious of who I descended from but I really not good at this. I work full-time and go to college full-time and usually try to search in the evenings when I get home but am getting nowhere. I would most definately love your help.
My home mailing adddress is:
Kristal Bryan
1205 Wells Run Road
Crown City, Ohio 45623
Please help me get this figured out☺.
I've also been told that there is no noted record of anything past 1675. Has anyone been able to get past that time??
The names John ect. do repeat themselves as you can tell (my father and brother) I do get confused but look at the ancestry line how would you *not* get confused.
Later, Kristal

What's new deep down south? Chris Iler and Lucia Iler are going to have a baby in April 2004. This will make Sandy and me Grand Mom and Grand Dad. Our first..............hopefully not the last. We are extremely excited. Da~~n~~d is still doing fine, he lives up in Inverness, Fl. He turned 89 last Feb.

One said note, my cousin Judy Neismith Bonar (Stantman) lost her husband Bill a few weeks ago.

Hope everything is going well for you and your family.

Also, in doing some research many years ago I ran across a Iler that was from the South Carolina or North Carolina area and he was in the Revolutionary War. How would I go about finding out if he is related to any of our Iler family tree.

Thanks, and please keep up the outstanding work on the Iler's

Hi,

I am back and have also discovered that I am one big liar. I had a section on Oylers in my book and had lost the tab, and thought the material was with the family above it. So had not even looked at it, as I had no reason to search that family before. The info I have makes me more confused about my Gideons. I also found a phot of my husband's grandmother and the brothers and sister that were living. When I go to Marysville, I will photocopy all that I have and send to you.

Here is the info I just found:

The Gideon Oyler who married Rachel Endsley Information I have came from

a Wilford Oyler of Ash Flat, Arkansas in 1967, and I feel it is authentic. He was born Sept. 18, 1912. He said that he had his grandfather's testament which had the birth dates written in it of his grandfather and grandmother Oyler and all of their children. He did not know the name of his great-grandparents.

8692

Gideon E. Oyler was born October 22, 1843 in Tennessee. He married (July 22, 1866) Rachel Endsley, born June 11, 1847, place of birth unknown. He said the children are Rachel's, and that after her death, he married her sister, Cindy Endsley. Wilford said the old home place was nearly 100 years old (then 1967) and still in the family. I should have but did not bother to find the location, which I now regret.

The children of Gideon and Rachel are: (The marriages are added to his note to me and taken

Linda Iler Totten --

You asked for it, so here it is -- a running draft of an obituary in news release form to be given to the press after my demise; editors will surgically prepare it before publication anywhere, but it does provide a menu. Sending copy to Morgan for his files.

Your information is quite interesting. Richard was in the steel business as was my grandfather Walter Cole, who brought iron ore down from ranges in Minnesota & Wisconsin. He certainly passed through The Soo like it was his driveway. And "a licensed 18 wheel truck driver"? -- I'm really impressed!! -- better than preachers and horse thieves as relatives. Make sure you get your info to Morgan for his records; include any typos or other corrections needed in his info you see.

The Gordon Iler file is not accessible for my Macintosh. I thought I had translators for MS Word documents, but apparently not so. Had same problem with file from Morgan, but his was short enough for me to translate manually. The ".rtf" file designation on your file name did not help - it was still a MS Word doc. If you could save your file in real (ASCII) text, that should work. Or try GEDCOM; Reunion should deal with that OK.

The attached document is a Gedcom 5.5 file of 25 marked files in my Reunion program that ties you, I, Walter, & my family together. This is the first time I have used Gedcom, so will be interested in how it works.

His first job out of college was with Diamond Power Specialty Corp., a subsidiary of Babcock & Wilcox and supplier of accessory equipment for electric generating steam stations, to develop industrial television sets for monitoring steam/water levels, the very first commercial application of now common closed circuit TV. He built laboratories and fabricated new design image dissector television camera tubes, originally invented by Philo Farnsworth.

Based on this experience, he was hired by GE as the design engineer to develop & manufacture the image orthicon television camera tube in competition with RCA product already well established in broadcast television. Teaming with researchers in the GE Schenectady NY.Corporate Research & Development Center, he developed a new image orthicon, already the most complex vacuum tube to be produced commercially, with much improved sensitivity, allowing TV live broadcasts under low lighting conditions impossible before. A TV Emmy Award recognized this General Electric Co. achievement.

An archive and exhibits have been established at the Schenectady Museum in his name of artifacts and documents he donated which provide much technical detail on the image dissector and image orthicon television camera tubes. He participated in further GE programs to push this leading edge technology into the basis for the sophisticated sensors used to enhance our ground, sea, air & space military capability today as well as the common and popular TV camcorders.

166

He later transferred to the space business area of GE where he provided marketing support for major space programs, notably Landsat satellites for earth observations and the Defense Satellite Communication System.

He was practiced in his youth on classical piano playing. His favorite music was from the traditional composers for piano and symphony orchestra — Beethoven, Chopin, Grieg, Liszt, Mozart — but he also took much enjoyment from the rousing German/Bavarian bands & polkas and Scottish bagpipe music. A sailor for most of his life, recent hobbies included genealogical research with his wife, Jean Gwinn Rae Iler. Greatest satisfaction and happiness was derived from seeing his daughters develop into fine, family oriented and talented ladies.

His cremains were given to Green Bay near Menominee, Michigan, Cranberry Lake in the Adirondacks, New York, and Chesapeake Bay near Annapolis, Maryland, all of which were locations of his sailing enjoyment.

DEATH DATE BIOG

Deceased Name: **AUTO-REPAIR OWNER WILLIAM OYLER TAUGHT SCHOOL, HELPED FOLKS IN NEED**

William E. Oyler III was a kind-hearted man who used his skills as an auto mechanic to help those in need, family members remembered on Tuesday.

As a member of Northland, A Church Distributed, and a deeply religious man, he organized a Car Care Saturday event where single mothers and needy families could receive free oil changes and simple car repairs every three months.

The Longwood resident and owner of Oyler Automobile Repair Service in Maitland was killed Friday when the van he was driving was struck by a front-end loader that crossed over the double-yellow line on Longwood-Markham Road.

He was 61.

"He was one of a kind," his wife, Debra Lynn Oyler, said. "Everything about him was large and colorful."

The couple married last January.

Oyler was running an errand for his business at around 3 p.m. when he died, family members said.

Born in Canton, Ohio, Oyler moved to Sanford as a teenager.

At the age of 18, he joined the Navy and served aboard an aircraft carrier. After he left the service, he worked briefly in Ohio for his family's asphalt company.

In the mid-1970s, Oyler taught at an American school in Germany for several years. Around 1980, he returned to

"Aunt Nettie" as many called her will be remembered for her love and enjoyment of bowling and being with her bowling league friends up until she was 98. What is the Wisconsin Name Index?

The Wisconsin Name Index includes 150 county and local histories, dozens of professional directories and biographical encyclopedias, more than 60 scrapbooks containing 30,000 obituaries, and selected articles in Wisconsin magazines and newspapers. These publications were indexed by Wisconsin Historical Society librarians between roughly 1870 and 1970 but contain information on individuals from earlier date ranges. You can search the Wisconsin Name Index and purchase full text copies of available items which will be mailed directly to you.

An Impermanent Library

A recent study finds that 13% of Internet references contained in scientific journals are no longer valid after two years. This phenomenon does not apply merely to scientific journals; website pages are changing, moving, or disappearing all the time. It's a big problem for researchers who want to cite an Internet site. Any solutions? A technology known as DOI (digital object identifier) looks promising, but only for pages that have moved. * Census Available from the State of Maryland

The state of Maryland has four different census searchable from their state archives Web site: 1776 (Anne Arundel, Baltimore, Caroline, Dorchester, Frederick, Harford, Prince George's, Queen Anne, and Talbot Counties), 1778 (Caroline, Charles, and Queen Anne's Counties), 1870 (Allegany, Anne Arundel, Baltimore, Calvert, Caroline, Carroll, Cecil, Charles, Dorchester, Frederick, Harford, Howard, Kent, Montgomery, Prince George's, Queen Anne's, St. Mary's, Somerset, Talbot, Washington, Wicomico, and Worcester Counties and Baltimore City) and 1880 (Anne Arundel County only).

The search is available at <http://www.mdarchives.state.md.us/msa/refserv/html/censussearch.html>. You may search by date, first name, last name, and county. A last name search for Smith (not very original today) found 4691 records, with record listings including name, date, age, gender, race, birth date, county, and locality. Also included is the location of the original census, but no images are included in this information.

Fagley has edited the following to fit NJ GLOUCE-L@rootsweb.com interests.

Anybody know of the line of Jonathan Wainwright-Waynwright of western Woodbury creek.
I have an Ann Wainwright Wilson marry an Iler [hjler,etc] here in sw Ohio in the
1810 era,and son,Savil Wilson Iler was early to Oregon,1840's. This is from a web search of
www.google.com for "John Brown" +"Charity Chew"
They seem to have married in Philadelphia's 1st Presbyterian,or the minister recorded it
there.

" John Brown was a fuller [mill for cloth treatment] on Mantua Creek,and sold to
George Ward,fuller,who married Margaret Bennett,of Alex. Alexander also had Sarah m to
Edward Willson,of Woodbury Creek. Edward's son,Savil helped Hab Ward,and Moses [?]
Ward destroy the Woodbury creek dam in 1756. Savil Wilsom m Susanah Chew. Their '
Elizabeth Wilsomn Justice died in this sw Ohio room in 1846 in grief over a grandson's death.
We don't know where our New Jersey Longleys came from: perhaps directly from England. Since water was the major means of transportation, it's possible one of the early Virginia Longley transportees, as named on Land Patents, moved up to New Jersey, as did John Chew, Jr. All we know for certain is that on 14 Sep 1689 a John Longley/Langley purchased 50 acres on Woodbury creek, Gloucester Co., NJ, from
"Jonathan Wainwright"
, part of 200 acres granted Wainwright 7 Sep 1689 by William Salisbury, Governor. John Langley/Longley's widow Susannah sold it on 30 Dec 1699 to John Tatem (Gloucester Co., NJ Deed Book 3, p. 263).
In 27 Aug 1710, James LANGLEY (Quaker), son of William, was rec'd on certificate in NJ from Southampton Monthly Meeting, England; the certificate dated 14 Apr 1710 (HCQG 2:576). By 25 Oct 1717, there was a Thomas LANGLEY witnessed deed of Henry Chew "late of Cape May Co., in Gloucester Co., NJ. This Thomas died by 17 Feb 1734, when his widow Mary had his Salem Co., NJ estate inventoried. (Cape May, Gloucester, and Salem are neighboring counties, none very large). A Joseph Langley/Longley was in the same area by 1724.

In 1731 Joseph Longley who married Mary Campbell (daughter of John Campbell and Charity _____) was in Hunterdon Co., NJ when Campbell's estate was settled in PA. By the 1750s Hunterdon Co. had a Joseph Longley, Sr., Joseph, Jr., James and Thomas Longley, up to 1763. In 1764 Joseph Longley was in Loudoun Co., VA. Presumably the parents died and the sons went south, for once again there was a Thomas in Gloucester Co."
A

I believe Joseph Langley 1st (who married Mary Campbell and went to Hunterdon Co., NJ) was the son of Thomas Langley of Gloucester Co., NJ, and his wife Mary Chew (b. 1690, Flushing, NY, d. aft 1737, dau of Richard and Frances Chew who went from Flushing, NY to NJ).
Mary Chew Langley remarried after the death of Thomas, to John Martin and had a child Patience Lodge Martin 1737-1762.
Thomas Langley died 17 Feb 1734 and Mary was adm. of his estate, Salem Co., NJ, from whence she moved to Cohansey in Cape May Co. while adm. the estate. She and bro. Thomas Chew were left in 1736 shares in the residual estate of sister Charity Chew Brown (widow of John Brown) of Philadelphia.
I believe Thomas Langley and wife Mary Chew had sons
(1) Joseph, (2) David, (3) William, (4) Thomas, (5) Benjamin, possibly (6) James, as well as daughters.

186

(1) William died 1770 in Salem Co. leaving wife Mary, dau. Sarah, and a son John not named in his will who md. Sarah Allen 1761 in Salem Co. [There were Allens in Hunterdon Co., NJ as well.]
(3) Thomas died 1758 in Morris Co. leaving widow Margret.
(2) It appears Joseph who md. Mary Campbell had a son Thomas who went back to Gloucester Co. when they left Hunterdon and had sons George, Thomas, Reuben, and Samuel. Thomas's son Thomas married Ruth Chisum in 1775, Gloucester Co. There were two Thomas Langleys in Gloucester Co. tax lists 1778-80, and one 1779-96 in Deptford Twp., Gloucester Co.
The son Thomas Langley and wife Ruth Chisum apparently had William Langley, born 1782, who md. Rachel ___ and I have a copy of the family Bible record listing their son Reuben b. 1805 and his wife Sarah Jones and children, from files of the Gloucester Co. Historical Society in Woodbury.
"This is largely hypothetical, based on scant information available."!!!!! One of the three extant Langley deeds for the NJ Colonial period was for Joseph Langlee in 1729. All are VERY difficult to read.
The only known possible NJ parents of this Thomas who married Mary Chew were John Langley and wife Susanah:
Susanah Langley of Woodbury, Gloucester Co. of Province of West Jersey, relict of John Langley, Deceased, who in 1689 was granted land by William Salisbury, Governor (recorded in Records of West Jersey Book B folio 32). John died by 30 Dec 1699, according to Susanah's deed to John Tatum for 100 acres of land on Woodbury Creek -- one moeity or half part of ye 200 acres being next fifty acres lying between the land of William Warner and Jno. Jost.
RICHARD CHEW and wife FRANCES WOODWARD's children were Richard, Henry, Hannah, Thomas, Mary, Elizabeth, and Charity.
RICHARD CHEW OF FLUSHING, Long Island, NY was assessed there in 1675-8, and 1699. On 1 May 1700, Richard Chew, "late of Flushing, NY" purchased land in Gloucester, NJ (NJA Vol. XXI, pp. 677-8). A full account is in PROCEEDS (Vol. VI, 1908, pp. 20 et seq.).
The Gloucester Co., NJ Historical Society published a thick book, GENEALOGY OF

Morgan,
Hope that you are doing great today.
Thank you for the genealogy web address you notified me of . I am aware of Kristin's research, but was unaware of her online entries. There are inconsistencies. One could extract information from the site about the Ken (48798) Eiler descendancy that I would hope to be reliable.
I have offered them information and facts about the older Eiler generations.

One of my current puzzles is researching sequences of Elizabeth (25062) Eiler's life. I have discovered that she was married to John Zerbe (also spelled Zerby) sometime after the death of her first husband Christian (51901) Kroneberger who died in August 1802 at age 54 and was buried in Salem Belleman's graveyard in Berks County, Pennsylvania . They obtained land from Johannes Eiler in Bern, Berks County, Pa. that could actually have been one of Adam (24413) Euler's original tracts of land. John & Elizabeth Zerby were counted on the 1810 Bern Township census;

one male age between 10-and 16
one male between 26 & 45 (John Zerbe)
one female under ten (possible child of John & Elizabeth)
one female age between 10 & 16
one female between 26 & 45 Elizabeth (nee:Eiler) Zerbe

Now to figure who were the parents' of the other children !!!

HIGH HOPES—High school seniors Peter Burgert, 18, on ground, and Rowland Stanley, 17, of La Mesa, Cal., show the three-stage solid-fuel rocket they hope will climb 100,000 feet. It took two years to plan and build it, and firing date is set.

Moscow Press Mum About Space Ship

Moscow, May 20 (AP)—Moscow norning newspapers today failed o carry a communique on the 'space ship" in which they say a lummy astronaut has been circling the earth.

The Soviets announced the 4½-on satellite had gone into orbit Sunday.

Tass, the Soviet news agency, aid today reports from the putnik indicated that all automatic and radio engineering quipment was working smoothly.

"No Man As Yet"

"There is no man in the space hip as yet," said Soviet Academ- all the necessary conditions for human life aboard have been created in the cabin (of the satellite)."

(United States Senator Jackson (D., Wash.) said yesterday there was reason to suspect a human was aboard and an attempt would be made to recover him.)

The satellite was late arriving over Britain yesterday, adding to speculation the dummy astronaut the Russians claim is aboard had already been ejected. Scientists manning the Jodrell Bank radio telescope said the satellite had swung into a wider orbit and its

A jet helicopter, flying at more than twice its normal ceiling, failed twice yesterday to pluck the five climbers from the high reaches of 20,320-foot Mount McKinley. The Army said it would try again today.

Concern mounted. The climb could take three days. Temperature on the mountain last night was 15 below zero.

Rescuerers included 47 members of Seattle Mountain Rescue Council, shuttled by helicopter to a 10,000-foot high base camp after flying 1,500 miles.

Doctor With Injured

With the disabled climbers were four well and uninjured men, including a doctor. The sick woman's husband urged them to come out by helicopter if possible.

"Think of your wives and families," Peter Bading, of Anchorage, said.

But one of the climbers, Paul Crews, indicated they would try another ascent instead.

Reached Peak

"If we're in good shape," he radioed back, "we'll try the north peak."

Crews carries a small transmitting radio with him, as all moun-

Minister, Wife Get Custody Of Aadland Girl

Hollywood, Cal., May 20 (AP)—"All we want to do is help her," says a kindlyfaced Baptist minister's wife who today assumes custody of 17-year-old Beverly Aadland.

The teen-age girl friend of the late Errol Flynn yesterday was made a ward of Juvenile Court under guardianship of Mrs. Frances Eilers and her husband, Leonard.

The officer smiled and nodded politely to the woman. "Glad to know you, ma'am," he said.

Subject: thank you for the information

Dear Morgan,

Please forgive me for taking so long to answer. The information you sent was overwhelming!! I really have not read it as thoroughly as I want, even though I have read over the Alonzo Iler line several times and shared the info with my 79 year old dad, Harry Burr Iler, Jr. He was over joyed and even a bit teary to read and talk about his grandfather and great-grandfather Iler. My father is not related to Ann, (I believe you have her with a question mark beside his name.) 5

V2422-2 19284-5

60001 60002

My father had only one sibling, a sister, Harriet Iler London, she is still alive. She married John Rutherford London of Rock HIll, South Carolina. She was a graduate of Furman University (at that time it was a school for women). Her middle name may have been Chandler, the maiden name of my paternal grandmother - Henrietta Chandler Iler (married to Harry Burr Iler, Sr., son of Alonzo Iler.

Harriet Iler London has three children - all living: their names are:

61220

Janie London Macatee (I believe that is her married name - I will check with my dad) - they live in Charlotte, N.C. and have three grown children;

61221

Chandler London Boyd, lives in Greenville, S.C. and has grown children, (I am unsure how many - as you can see, I am not at all close to these family members even though they are my cousins - it is just the way things have always been - they think themselves to have lots of money and prestige and so on and so on.) She is a teacher and is married to Johnny Boyd, he may be a banker or in insurance;

61222

John R. London, (I believe he is Jr.) - lives in Alabama, works for NASA - is retired Air Force, has several children that he and his wife adopted from Russia - quite a uniqe and lovely family although I have no contact with them other than my parents-in-law, who are retired Air Force had them over for dinner (years ago) when they were first married and in the Air Force and stationed at the base in Florida where my parents- in-law retired.

61224 61225

I have a sister, Harriette Lynne Iler Abbott, lives in Greenville, S.C., married to Brent Abbott of Louisville, Ky. They met at Clemson University - same school my dad attended. They have 4 children, the last named Chandler (that family name of my grandmother's keeps popping up everywhere!!) My sister is a nurse.

The information you have about my brother is correct with the exception that he and Jana Iler are currently seeking a divorce and he does have plans to marry again, (this will be #3 for him, much to the consternation of my mother.)

I am very much interested in receiving the Iler Gazette. Also, I would like to know if you have ever suspected that there are Jewish ancestors in this line?? My father recently gave me a candlestick (brass) that was on their mantle in Greenville for as long as he can ever remember - in fact, it was purchased by his father in Atlanta, Ga. when he made the purchase for the other furnishings that were in that room and the dining room. The candlestick is a menorah. My father, his sister, and his mother always attended First Baptist Church in Greenville, but his father did not attend anywhere. Do you have any information that could unlock this mystery? Also, do you know the port of entry for this line? Do you know the port of entry for any of the Iler line? Is the name German, Austrian?

Thanks and looking forward to hearing from you soon,

Elizabeth (Beth) Anne Iler Coleman

Subject: Re: regarding Iler genealogy

Dear Morgan,

Since e-mailing you I have come to find out the following:

19281

5 My father: Harry Burr Iler, Jr. born in Greenville, S.C. (still living - age 79)
3 My grandfather: Harry Burr Iler, born 5/2/1893 in Piedmont, S.C., died 11/30/53 in Greenville, S.C.
0 His Father: T. A. (Alonzo) Iler of Piedmont, S.C., married to Abigail Davenport. One of his brothers was named Henry H. Iler, grandfather of Frank R. Iler, Jr, (the person responsible for giving me all this information.)
His father: James F. Iler of Clarke County, Georgia - served in the Civil War and then moved to Piedmont, S.C. to help start a textile mill. Apparently he was the boiler man and set up the boiler room for that mill. (My father and grandfather were both in Textiles, my dad graduated in Textile Engineering from Clemson University after he served in WW II.)

I just talked with my Dad over the phone, he said that Frank Jr.'s two sisters still live in the Greenville area and he would try to see if he could find them for me. Hopefully that will result in alot more information.

I am very interested in finding the port of entry for this line. Also, I would like to know what the F. in James F. Iler's name stood for and the maiden name of his mother.

I would welcome any and all information that you have and will gladly share anything I find with you. I know that my aunt has done some research, but I do not know if it was the maternal or paternal side of the family. I do have one other source that may have more information, the x-wife of my brother, who was very interested in this family line a few years ago and did quite alot of investigating. I will also check with her. I have just begun and so everything is very new for me.

13287

I am the oldest child of my dad, I have a sister and a brother. I live in Florida and teach school, as does my husband. We have quite extensive research compiled on his family and I would like to have the same for mine.

So wonderful to hear from you,

Subject: soon, to document another branch

Morgan,

Here's another household census listing that connects to the EY line:

1910 Berks County, Pa. (Reading City)

832 Church Street, 219- 226- Eiler, Charles F. , 45
" Annie 36
" William 21
" Violet 14
" Edwin 17
" Mamie 15
" Mary 11
" Blanche 9

Charles F. Eiler is the same Charles listed on the William Eiler household from the 1870 Schuylkill County census. In 1910 Charles F. Eiler listed as a laborer at the Elec. Light Plant, son William a salesman at the Hardwares store,and son Edwin a laborer at the Steel Works. I appreciate the email and for checking about William & Rebecca's marriage. I'm researching about this "branch" of the Eiler family, and will send you updates as I document the information I

I haven't really given this matter a great deal of study but here is some further info.

The attached FGR shows all I have. It could have come from the IGI file.

Except for dates and wife's name this might be William (24769) because of children. There is another Kate (55630) who was b.1879 and whose father is George (55626-EES3), wife Lavina. His parents are said to have been born in Germany per 1880 census.
